

How to Translate Cahokia Webpage in Chrome

1. Go to **cusd187.org** in Google Chrome.
2. Click **translate** in the upper right corner.
3. Click your **preferred language**. ***English and Spanish are currently the only options.**

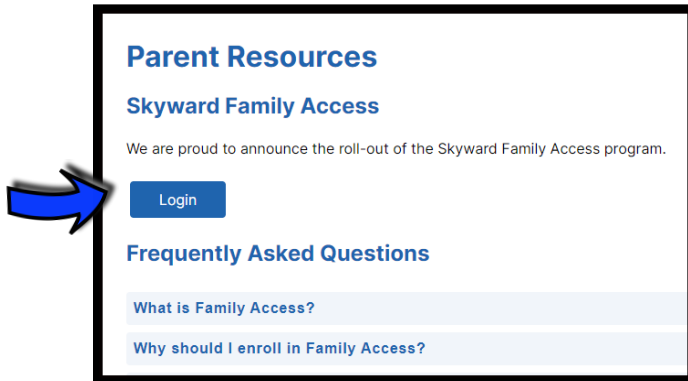

How to Find Skyward from Cahokia Webpage

1. Click on **Parents** and then click **Parent Resources**.

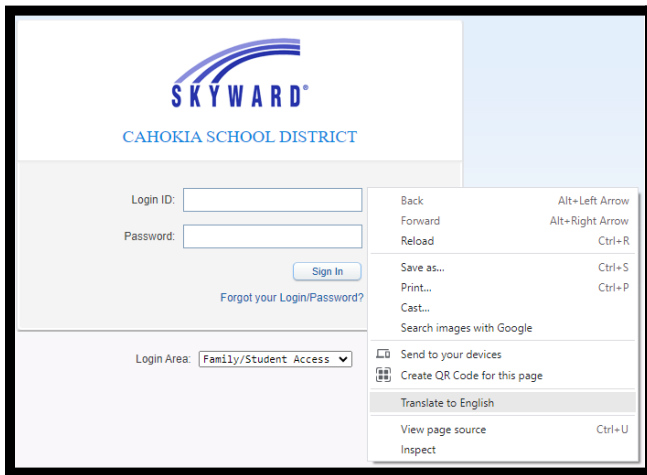

2. Click **login** under Skyward Family Access.

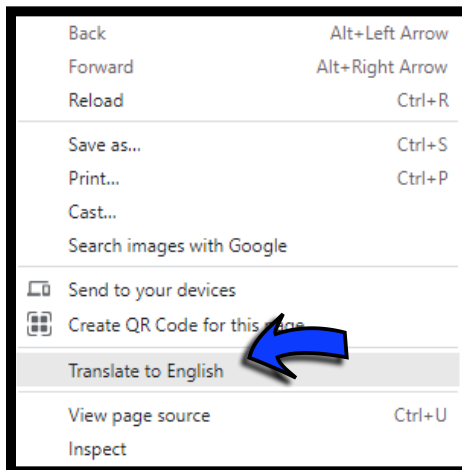

How to Translate Skyward

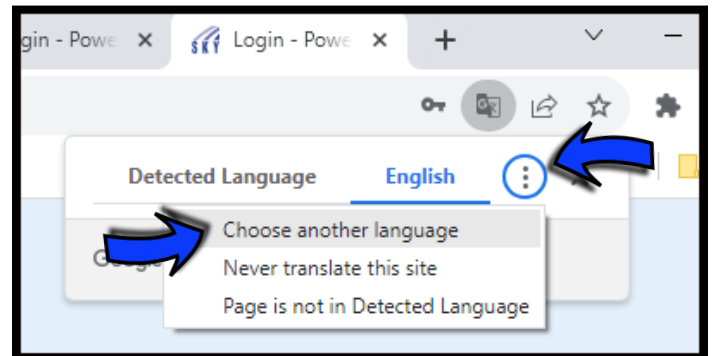

1. Right click on any empty space on the webpage. You will not get the correct menu if you right click in the top menu bar area or on a photo.

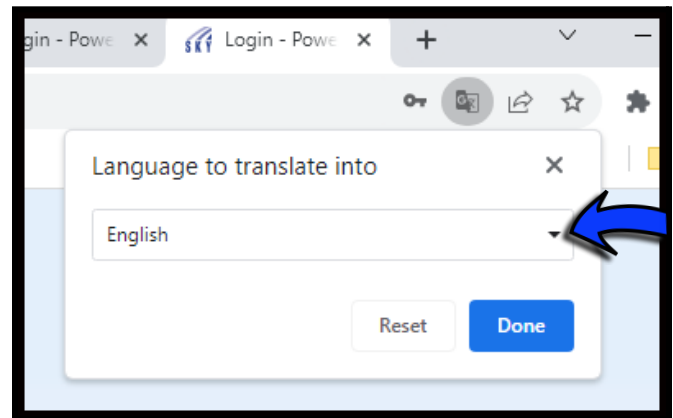

2. Click on the Translate to English option.

3. A small window will open from the webpage address bar. Click the 3 dots on the upper right-hand corner of the screen. Select **Choose another language**.

4. Use the drop down to select your preferred language, then click Done.

5. Enter your Login ID and password.
