**PUBLIC**

1. I will obtain consent before sharing coalition members'/affiliates' names, contact info, or other personal and/or private information outside the coalition.
2. I will obtain consent before tagging other members in social media posts, whether they are photographed or not.
3. I will obtain consent before photographing or sharing images of members.
4. I will protect sex workers from being "outed" by using people's preferred names for this space, in this space. If someone has not openly shared their government name, stage name, or other alias(es) within the coalition, I will not use them here. And absolutely no deadnaming.

COMMUNITY REGULARS

5. I will obtain consent before following or friending other coalition members on social media.
6. I will notify the core immediately - by emailing mohojustice@gmail.com - if I have been targeted by a dox/privacy breach.
7. I will obtain consent before sharing other members' contact information outside of the coalition.

STAFF/VOLUNTEERS

8. If I am able, I will use a 6+ digit passcode to lock any of my devices with MO Ho accounts (including Telegram) saved/installed. I will avoid FaceID and other biometric locks on these devices whenever possible.
9. If meeting in-person with other coalition members, I will obtain consent from *all* present parties before posting real-time updates regarding our location or who I am with.
10. I will not save mohojustice email or social media account information to any shared or public devices.

What I expect from the coalition:

1. The coalition will not post my images or identifying information without my consent.
2. I will be given warning before any video call is recorded or streamed on social media, so I can obscure my image if necessary.
3. The coalition will provide me with harm-reduction educational materials. If I am a public-facing coalition member, the coalition will support me in locking down my accounts and taking down public information, as requested.
