| Graduation rehearsal      | Graduation rehearsal will be this Wednesday, 6/26 at 8am. Graduates need to provide their own transportation and should report to the library. Graduates do NOT need to bring or wear their caps/gowns. Rehearsal will last approximately one hour.                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Graduation                | Graduation is scheduled for this Friday, 6/28 at 7pm on the football field. Graduates should be in the library at 6pm for final preparations. If the weather does not cooperate, a notice will be sent via email, phone, and text stating that graduation will be held on Saturday at 9am on the football field. If graduation needs to be held indoors, it will be Saturday at 9am and each graduate will receive 4 tickets for family/guests.                                                                                                                                                                                                                          |
| Report cards              | Report cards will be in the mail by Thursday, 6/27. Please reach out to the appropriate school counselor should you have any questions about report cards, course credit, etc.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
