

AMAZING BROWNIES

1 pkg (13x9 - family style) Brownie Mix or 2 pkgs regular (9x9)
3 large toffee almond Symphony bars

Prepare mix (or 2 mixes). Spray a 9 x 13 baking dish with Pam.
Place half of batter in bottom of your baking dish. Place 3 candy bars side by side on top of mixture in baking dish and top with remaining brownie batter. Bake as directed.

(you may have to bake just a little longer - not much though!!)

Let cool and then cut with a plastic knife. Cutting with a plastic knife is the way to go - much easier and much less messy! THEN TOTALLY ENJOY!!
