Hello-

It was a busy week at JAC! The third and fifth graders enjoyed field trips to East Boston Camps and the Ecotarium. We are ending the week with the Robifulli Family Fun Night. Many thanks to the JAC/ROB PTO for planning a great night. The fourth graders will be visiting the Southwick Zoo next Tuesday.

Enjoy the weekend!  
Ms. Kennelly and Mrs. Hutchinson

### Spirit Calls

- A fifth grade student showed kindness and integrity during 5th grade adventure days when a classmate wasn't feeling well and was shivering cold. They overheard them feeling cold and took off their own sweatshirt and offered it to them. The student consistently shows concern for his classmates.
- A fifth grade student has become a great teammate over the past year but most importantly they have started to believe in themselves! Keep up the good work and know we will always be rooting for you.

**Westford Academy Ghost Robotics** is excited to be hosting an Electronics Camp this summer! Run and taught by students from Westford Academy's award-winning robotics team, girls and boys from ages 10 to 14 aspiring to become engineers, interested in robotics, or just looking for something exciting to do over the summer will have the opportunity to dive deep into the world of electronics. Using microcontrollers called Arduinos, campers will be able to further their programming skills and learn how to integrate coding into the physical world by experimenting with wires, resistors, motors, sensors, and a wide variety of other circuitry. For those more interested in the mechanical side of engineering, campers will be able to design components of their projects in 3D computer-aided design softwares, which will be brought to life using the 3D printers at WA. If you're interested in signing up, please scan the QR code on the flier and fill out the google form. We hope to see your child at camp this summer for a fun, electrifying, and informative week of robotics! Please [click here](#) to view the flier.

### **Eagle Scout Project Go Fund!**

I am Rudra Agarwal, a Freshman at Westford Academy and also an active scout with Westford Troop 195. I am using my Eagle Project as an opportunity to give back to my school community by building picnic tables outside the Blanchard Middle School cafeteria. Your generous donation, big or small, will make a huge difference in making this project a reality.
