

Wardell E-Learning Assignments for April 6th- April 10th, 2020: Holy Week!!

Monday, April 6th, 2020:

FlipGrid Morning Meeting:

1. On Monday, Ms. Wardell created a FlipGrid at <https://flipgrid.com/8319a7fb>. When you arrive at the link, you will be asked to enter an ID or a QR code, the ID that you are to type in is your first name (Uppercase letters). For example if your name is Emily, you would type Emily in the ID box. When you login, you will immediately see a page that says Homeroom 104. Once you are there, scroll down to where it says All About Me on FlipGrid. Once you are there, scroll down a bit more and you will see a response section, click on the light green circle with the + sign.

Math:

1. Interactive Lesson 9.9 on ThinkCentral (Go Math!)

Please use this link: <https://www-k6.thinkcentral.com/ePC/studentClassProducts.do>

When you use this link, it will bring you to the Think Central home page, please use these very detailed and specific instructions and you will be able to complete the Interactive Lesson with ease:

- 1) In the district box type in: Archdiocese of Chicago Ed Off, Chicago 60611
- 2) In the school box, type in: St Barnabas School, Chicago 60643
- 3) Check the box that says remember my school so that this information will be there when you come back the next day :)
- 4) In the username box, type in: stbstudent1
- 5) In the password box, type in: Buckeye#1
- 6) Once you are logged in, please choose the my library option.
- 7) Once you choose my library, scroll down to the bottom of the page and you will see an option that is called: Interactive Student Edition. It can be found in the bottom left hand corner on the page.
- 8) Once you click the Interactive Student Edition, choose Chapter 9: Measurement.
- 9) Once you click Chapter 9 Measurement, find and choose Lesson 9.9: Practice Time to the Hour and Half Hour
- 10) Once you click on Lesson 9.9: Practice Time to the Hour and Half Hour, you will be brought to Lesson 9.9 in the Interactive Student Edition.

11) Please make sure that you go through the Essential Question, Listen and Draw, Model and Draw, Elaborate, and Evaluate.

12) Once you finish those parts, you are done with the Interactive Lesson on our Go Math! site!

2. Complete pgs. 561-562 in your Go Math! book on Practicing Time to the Hour and the Half Hour
