

Making the Connection

practical experience	abstract concept
dropping your phone onto your face	living happily ever after
being trapped on your chair, because the cat decided to take a nap on you lap	being in control of one's life
listening to music and hitting any part of your body on any part of furniture because you danced way too hard	going wild
sitting on my mother's glasses	individual freedom
taking a baking sheet out of the oven with oven mitts, only to then forget that the thing is hot and touch it with your bare hands two seconds later	independence of thought
having cleaned the whole kitchen and then finding a pan you forgot	living tax-free
back when I had to be home by midnight	freedom of speech
When Charlie bit my finger (LMAO) (who's Charlie?) the cat?^^ (don't tell me you don't know "charlie bit my finger"?! you should listen to the remix) ah geez i'm sorry xD	Ligma (let's see if Franz is educated) (well I'm not; - not Franz) (neither am I and I'm not googling it ... actually Franz.) (It's actually not even a concept just a really dumb meme) hehe
watching the train you should have been on pulling out of the station from a different platform	friendship
That one time when I was hiding in the shower while someone was taking a dump	shame
water splashing your private parts when having a number 2, because you forgot to put some toilet paper in the toilet first	taking some me time
When I dropped my phone into the toilet before flushing that very same toilet	pure happiness (add sparkle emoji here)
looking for you phone (while talking on the phone) with your phone in hand, two hours straight	centering yourself
Falling asleep while watching TV	Being an absolute introvert
leaving the cinema	Ikigai
waking up to see the alarm didn't go off	being an adult
Looking out the window during a lecture because you are bored	(day) dreaming
Going to the toilet and taking the dump of your life	true love
being too high and having your mind blown but then you don't remember why and how	going all lima heights
