### Directions:

Put a box around the DCM in all of the sentences. Then, if necessary, put the comma in the correct place & circle it. Write darkly. **Remember**, if the DCM (the boxed word) is at the start of the sentence, a comma will be needed after the clause; if the clause is at the end of the sentence, do not use a comma. None of these will have the clause in the middle. If doing digital copy, bold the DCM & make it blue, insert the comma & make it blue

1. When Elizabeth called 911 the firemen rushed to her rescue.
2. Since it was raining we decided to go to the movies.
3. Once the movie began I fell asleep.
4. After the movie ended we went out for coffee.
5. Now that I know some more comma rules maybe I'll get better at using them.

**DO not do the 5 exercises below until told to do so. If absent: go ahead & do these.**

1. I went on the roller coaster because my brother dared me.
2. I became very sick when the roller coaster zoomed upside down.
3. The firemen rushed to Elizabeth's rescue when she called 911.
4. We went out for coffee after the movie ended.
5. Maybe I'll get better at using commas now that I know some more rules about them.
