

Hardware Assignment

You and your partner will create an instructional artifact to demonstrate your **knowledge of hardware components and how they work together to make your computer work**. Your artifact should include the hardware related vocabulary terms for this unit. Those terms are:

Chip	Motherboard
CPU	Output Device
Hard Drive	Ports
Heat Sink	RAM
Input Device	ROM
High Level Hardware	Transistor
Low Level hardware	Video Card
Memory/Storage Device	

You may NOT create a PowerPoint or a Prezi to convey your knowledge for this task.

Other options for the artifact include but not limited to:

- Live action video
- Animated video
- Infographic (digital or hard copy)
- Diorama
- Graphic novel (digital or hard copy)
- Educational game (Thunkable, Scratch, Snap, etc.)
