## Introduction to Project: Student Reflection

- What experiences/projects/assignments in English classes over the years have you really enjoyed? Be specific.
- What experiences/projects/assignments in English classes over the years have you not enjoyed? Be specific.
- What were your most enjoyable and educational moments of high school? What stands out?
- Could those best experiences from other classes be transferred to an English classroom? How?
- What are your strengths as a learner?
- Where do you work hardest as a learner?
