I agree that I am personally responsible for my safety and actions while participating in a CHWC woodworking class in the Colonial Heritage Woodshop. I agree to comply with all Instructors and instructions for the woodworking class. I understand that woodworking activities are inherently dangerous, and I further agree that if at any time during the class I believe conditions are unsafe, I will immediately notify the instructor of the potential condition. If the condition is not remedied, I will cease participation and notify a senior member of the management.

With full appreciation of the risks involved, I accept the risk, for myself and on behalf of my family, spouse, estate, heirs, executors, administrators, assigns, and personal representatives, hereby forever release, waive, discharge and covenant not to sue CHWC, course Instructors, members, officers, managers and assigns, (collectively the "Release Parties") from any and all liability, claims, demands, actions, and causes of action whatsoever, directly or indirectly arising out of or related to any loss, damage, or injury, including death, that may be sustained by me related to my participation in the woodworking class, or use of the facilities, tools, equipment, material therein.

I agree to indemnify, defend and hold harmless the Release Parties from and against any and all costs, expenses, damages, claims, lawsuits, judgments, losses, or liabilities (including attorney fees) arising either directly or indirectly from or related to any and all claims made by or against any of the Release Parties due to bodily injury death, loss of use, monetary loss, or any other injury from or related to my participation in the woodworking class, or use of the facilities, tools, equipment, or materials therein.

By signing below, I acknowledge and represent that I have read the foregoing Waiver and Release Liability, understand it, and sign it voluntarily as my own free act and deed, including without limitation the release of liability and indemnification requirements contained in this document. I am sufficiently informed about the risks involved in participating in the woodworking class to decide whether to sign the document; no oral representation, statements or inducements, apart from the foregoing written agreement, have been made; I am at least eighteen (18) years of age and fully competent; I execute this document for full, adequate, and complete consideration fully intending to be bound by the same, I agree that the Waiver of Liability shall be governed and construed in accordance with Virginia law, and that if any of the provisions hereof are found to be unenforceable, the remainder shall be enforced as fully as possible, and the unenforceable provision(s) shall be deemed modified to the limited extent required to permit enforcement of the Waiver and Release of Liability as a whole.
