

Greetings and Salutations Gamers,

I am Athiena, also known as Savannah, TFMJonny's RP Daughter. Allow me to present my perspective on this matter.

Returning to 2022, a MineCraft SMP was established by AdzySlayer, featuring numerous YouTubers and Streamers. The individual of focus in this narrative is NerdyNanny. It is important to note that during the SMP's occurrence, I was 16 years old, providing context to certain events discussed.

Following a brief period, the SMP's creator, Adzy, opted to conduct a Presidential Election. The elected individual would gain authority over the transformation of the SMP's spawn location and shopping district. The voting process ensured anonymity for all participants. I emerged as the victor of the election by a significant margin.

NerdyNanny was one of several candidates who ran against me in the election. Approaching the election with seriousness, they organized protests and created various signs to support their candidacy. However, Nerdy did not take the loss lightly, reacting with significant anger and frustration. Focusing their discontent primarily on me, Adzy advised us to maintain some distance until NerdyNanny had a chance to calm down.

A short time later, while working on renovations of the town square, I had a brief conversation with NerdyNanny. I advised them that the area they were excavating might undergo changes, as it fell within the President's jurisdiction. The essence of my statement was along the lines of, "Before you proceed, I'm uncertain if I'll change this area." However, Nerdy perceived a tone in my words and reacted with rudeness and hostility. They promptly sought out Adzy for a heated private conversation, during which Nerdy made several unwise remarks directed towards me. The next day, NerdyNanny offered what I personally perceived as a somewhat insincere apology, attributing their poor mood to the passing of their neighbor's dog.

Despite the apology, NerdyNanny continued to make snide and rude remarks, frequently yelling angrily at me. This behavior led me to submit my resignation with Adzy, who granted me the opportunity to complete my current tasks before revoking my privileges. At times, Nerdy would become upset over trivial matters, such as the appearance of a pathway. Which led me to feel that they were upset with my very existence.

After a disagreement the previous day, I composed a private message response to Nerdy. (This message is paraphrased to keep out extremely private text and make more sense out of context. This message is not the original- as it is lost in blocked/deleted DMS. It is the closest rendition out of other messages with bystanders.)

"Nerdy, following our augment last night, we agreed to revisit the discussion today. I want to clarify that I have not indicated at any point that I am 'cool' with this situation. I apologize for removing the trees you had placed at spawn; however, with approximately 40 to 50 trees, their placement seemed haphazard and obstructive to the buildings in the area. If these trees were part of an RP scenario, I kindly ask for a warning next time to avoid inadvertently disrupting your plans. I perceived your actions as another deliberate attempt to provoke. If your intentions were to assist, why did you constantly leave confrontation notes in the suggestion box?"

Later in the message, I expressed my feeling of dissatisfaction, noting that Nerdy's apologies seemed insincere and that my emotions appeared to be disregarded.

Following this, Nerdy made a comment that made me extremely uncomfortable.

"You act so mature sometimes I genuinely forget you're still just a kid"

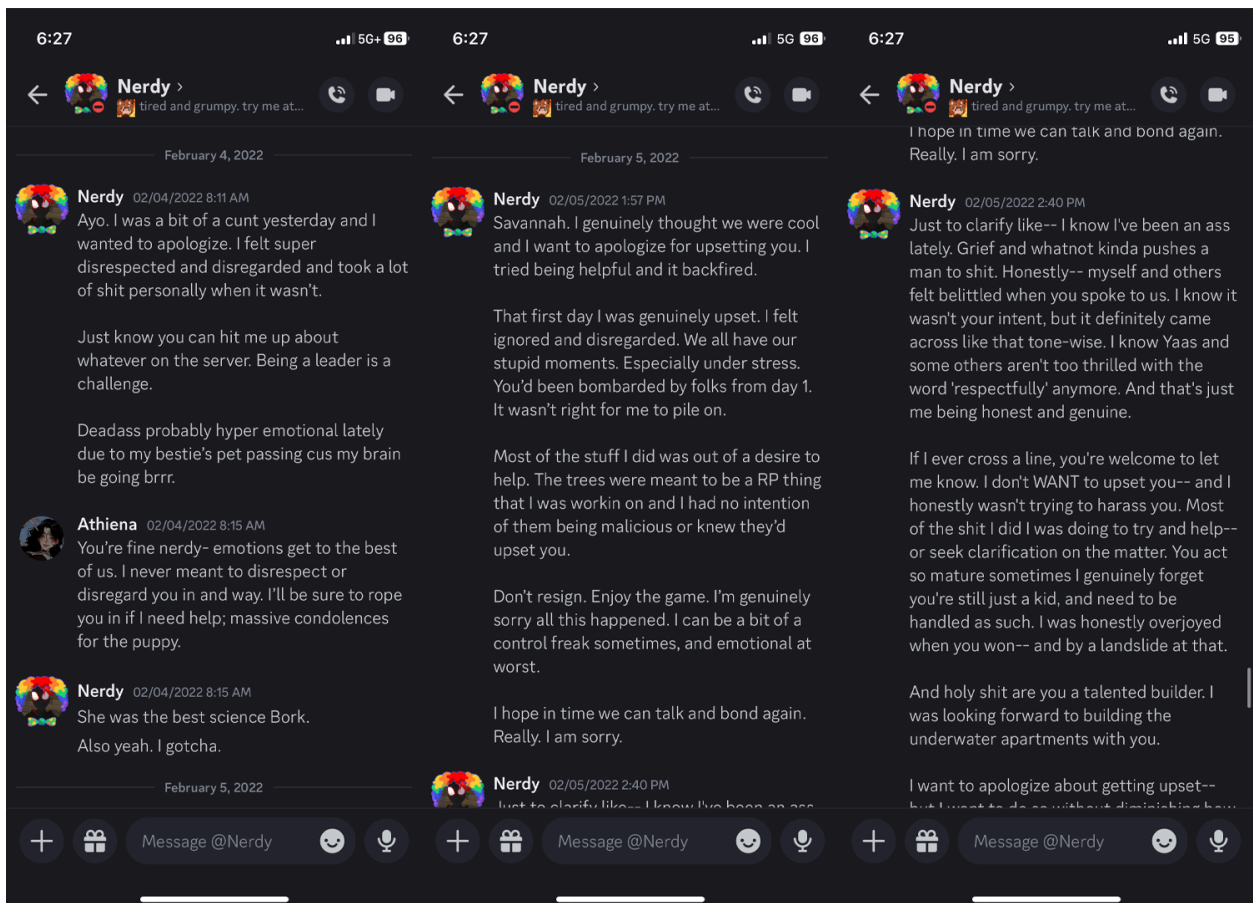

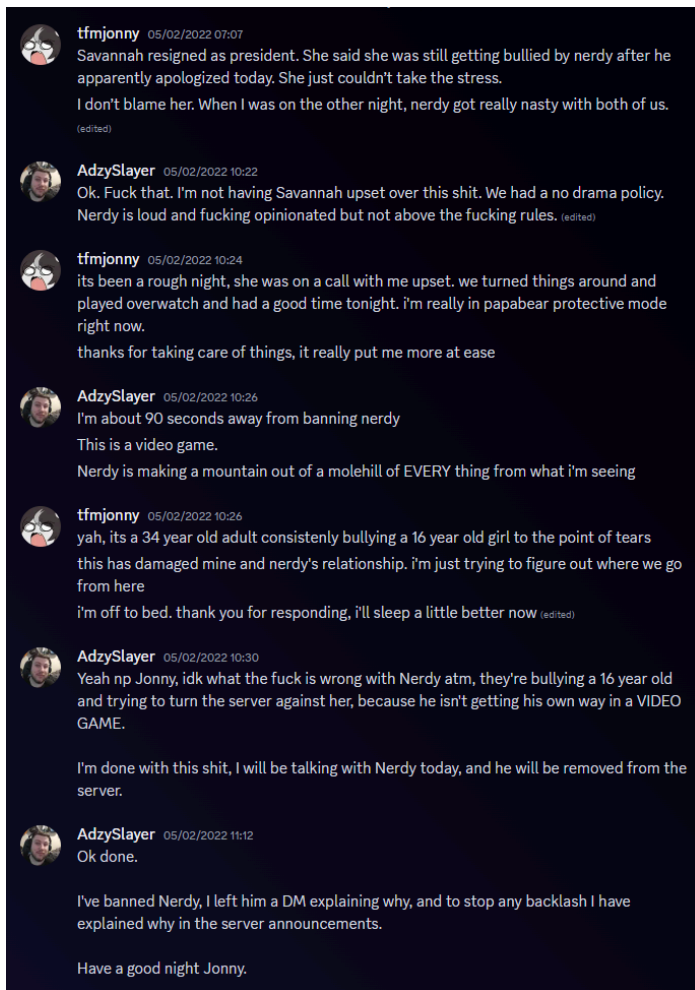

It reminded me that regardless of how mature someone may appear, it is crucial to remember that they are not legally of age. This realization was quite frightening, considering Nerdy's older age and personal familiarity with me, having even assisted me with previous grooming incidents. When I expressed my discomfort with this remark, Nerdy dismissed my concerns, laughing it off and insisting that I was overreacting, telling me to get out of my own head.

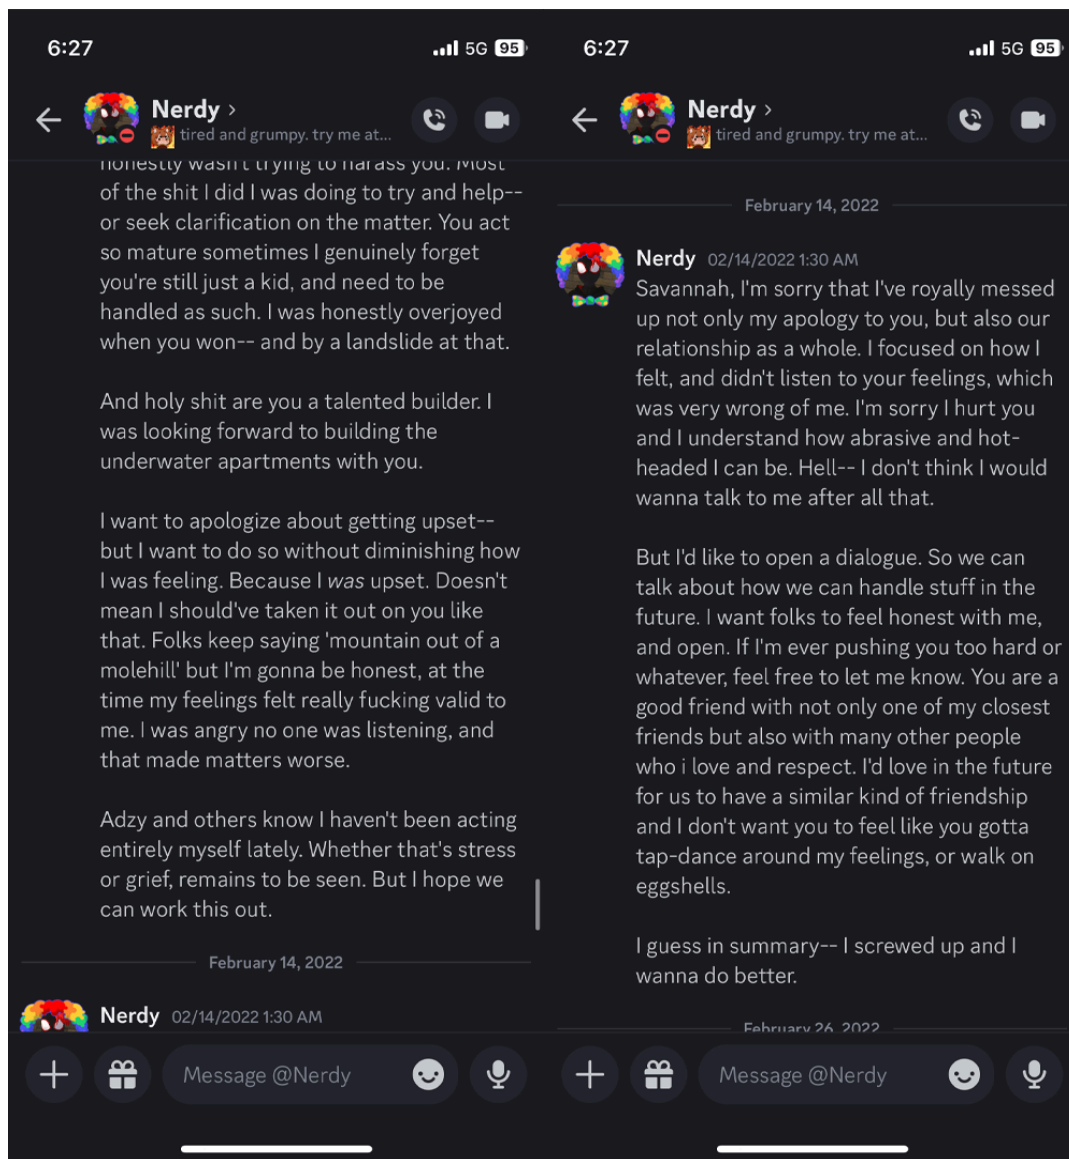

AdzySlayer made the decision to temporarily ban NerdyNanny from the SMP, giving them the opportunity to grieve and reflect.

After Adzy and another impartial participant agreed to lift Nerdy's ban and allow them to return to the SMP, I decided to respectfully exit the SMP, blocking NerdyNanny on all social platforms.

NerdyNanny's presence on the Minecraft server for several weeks was marked by consistent attempts to dominate attention. If they were not the center of focus, they would create disturbances, frequently becoming angry over trivial matters and always finding a way to blame me. Despite being the adult in the situation, Nerdy exhibited childish, rude, and bullying behavior. Even our mutual friends' attempts to calm the situation were met with anger from Nerdy, leading to significant discord within the friend group.

Reflecting on this experience after a few years, I still believe Nerdy's actions were unjustified. While I never anticipated revisiting this issue, hearing about Nerdy's involvement with further drama prompted me to share my experience. I hope this information aids in your decision-making process and serves as a reminder of the importance of treating others with respect, regardless of age. Bullying behavior, under no circumstances, should ever be tolerated.

Savannah. I genuinely thought we were cool and I want to apologize for upsetting you. I tried being helpful and it backfired.

That first day I was genuinely upset. I felt ignored and disregarded. We all have our stupid moments. Especially under stress. You'd been bombarded by folks from day 1. It wasn't right for me to pile on.

Most of the stuff I did was out of a desire to help. The trees were meant to be a RP thing that I was workin on and I had no intention of them being malicious or knew they'd upset you.

Don't resign. Enjoy the game. I'm genuinely sorry all this happened. I can be a bit of a control freak sometimes, and emotional at worst.

I hope in time we can talk and bond again. Really. I am sorry.

nerdynanny Today at 2:40 PM

Just to clarify like-- I know I've been an ass lately. Grief and whatnot kinda pushes a man to shit. Honestly-- myself and others felt belittled when you spoke to us. I know it wasn't your intent, but it definitely came across like that tone-wise. I know Yaas and some others aren't too thrilled with the word 'respectfully' anymore. And that's just me being honest and genuine.

If I ever cross a line, you're welcome to let me know. I don't WANT to upset you-- and I honestly wasn't trying to harass you. Most of the shit I did I was doing to try and help-- or seek clarification on the matter. You act so mature sometimes I genuinely forget you're still just a kid, and need to be handled as such. I was honestly overjoyed when you won-- and by a landslide at that.

And holy shit are you a talented builder. I was looking forward to building the underwater apartments with you.

I want to apologize about getting upset-- but I want to do so without diminishing how I was feeling. Because I was upset. Doesn't mean I should've taken it out on you like that. Folks keep saying 'mountain out of a molehill' but I'm gonna be honest, at the time my feelings felt really fucking valid to me. I was angry no one was listening, and that made matters worse.

Adzy and others know I haven't been acting entirely myself lately. Whether that's stress or grief, remains to be seen. But I hope we can work this out.

AdzySlayer 05/02/2022 10:48

I have banned you from SinkSMP.

We have a strict no drama policy Nerdy, and you have been the main cause of drama on the server for the last 2 days.

This is twice now I've woken up to MULTIPLE people upset with me over actions and arguments that you have caused.

Feel free to be upset with me, but you have made a 16 year old girl, cry her eyes out and DM me last night and RESIGN as fucking president because they are sick of the harassment and bullying, in a FUCKING VIDEO GAME nerdy.

I have spoken with multiple people. You have been completely out of order, we had you in a call yesterday regarding this and you told me you would apologise, but then you continued to push this and you have made a child cry in a video game AGAIN. I am not ok with this, and that is not going to fly on this server.

Nerdy 05/02/2022 18:43

How even?

Savannah seemed totally chill last night.

I wasn't even arguing with her.

I thought we had gone completely past things.

And I was happily doing my own thing.

AdzySlayer 05/02/2022 18:44

She 100% was not. from multiple accounts, I woke up to even DMs from Jonny.

Nerdy 05/02/2022 18:44

Dude I deadass had no idea she was upset.

I thought we were past this.

I even suggested a town hall to help cus I know shit can be stressful.

Like deadass— what harassment?

AdzySlayer 05/02/2022 18:46

I was told otherwise, and the chat in the minecraft talk channel was even getting ridiculous complaining about paths being gone, it was like a stack of magic plants worth of planks etc and you seemed to want to make a fuss out of it

Nerdy 05/02/2022 18:46

I wasn't even trying to start shit my dude.

Nerdy 05/02/2022 18:46

I wasn't even trying to start shit my dude.

AdzySlayer 05/02/2022 18:47

I was also told you were making a fuss about not being able to make paths etc. and just more shit going down last night and you pushing shit too far again.

Nerdy 05/02/2022 18:47

I made no damn fuss.

Like you decided to go with a ban— for me— without trying to talk things through when others have broken rules far worse than this?

If there were issues, I'm open to talking. But this seems extreme.

AdzySlayer 05/02/2022 18:48

Look, I can only go on what I have been told and what I have seen. The decision to remove you from the server was a call Dori told me to do, he's also been made a moderator because this shit has been ridiculous.

Nerdy 05/02/2022 18:49

If you wanted me to take a break from the server all you had to do was say something.

But seriously? A ban?

I genuinely was unaware Savannah was upset last light.

I thought I had made it clear to her she can DM me if I went over the line again. And that's on me.

I wasn't aiming to start drama or upset a child.

AdzySlayer 05/02/2022 18:50

Nerdy, I have banned people for LESS than you have done. I banned [REDACTED] for going into somebodies stream chat and starting drama, you OUTRIGHT called me out for cheating WHILE LIVE and then said it was RP but every account says they didn't feel like that was RP, including me. You planted trees all over spawn and then claimed it was RP when nobody else seemed to be aware of that being an RP thing.

You went through Savannah's bag while she watched you and read books in there that you had no right to read etc.

I have honestly let you get away with WAY more than most people, because I thought "oh he's just RPing I guess, I'll give him the benefit of the doubt" but it's continuous things.

Look, It can be a tempban if shit gets ACTUALLY resolved and this shit stops happening

Nerdy 05/02/2022 18:51

I was helping to decorate stuff. I saw Sugar's thing and was curious. Savannah deadass asked folks to help and TOLD us to look in the bags and boxes for materials.

We already talked about the thing after the dragon.

 **Nerdy** 05/02/2022 18:51
I was helping to decorate stuff. I saw Sugar's thing and was curious. Savannah deadass asked folks to help and TOLD us to look in the bags and boxes for materials.
We already talked about the thing after the dragon.
[redacted] was HARASSING someone. Intentionally.

 **AdzySlayer** 05/02/2022 18:56
I woke up to 4 DIFFERENT PEOPLE DMing me about shit. And outright being told "Nerdy was bullying Savannah again" etc. so I made a judgement call. but honestly, so much shit has been driving me insane.

I am not playing Nerdy, and there is no RP when I say to stop taking the game TOO seriously, just go along with things and let everybody have fucking fun. Nobody should be stressed even in a "Position of leadership" etc. This is a game. Let Savannah do what she has every right to do.

And also for clarification as it was said in the original post. The president (While yes it IS an RP Role, the "Laws" are RP, and get punished with *Jail time* with the tiger.) the rest of it, the "complete authority over how spawn is built and paths" etc, is a VERY Legitimate power she has. if she makes a decision you have every right to be unhappy, but to make such a huge fuss and to go off angry at her every time she does something you don't agree with is uncalled for. This is block game, not game of fucking thrones, we don't need to kill off anybody.

I will say IF you can resolve things, with Savannah, to a point where she is happy to play with you on the server, I will revoke the ban. but unless you two can talk and resolve things, I don't want a player on this server feeling uncomfortable with your presence being there. Especially somebody of Savannah's age.
(edited)
I am actively trying to be as fair as I possibly can with you. but I want it to be very clear that drama will not be tolerated.

 **Nerdy** 05/02/2022 18:58
I deadass sent her an apology cus I had no idea that she was so affected, Especially after our talk.
Everything I did was me trying to help.
The trees were gonna be a stupid RP thing about nature shit.
And at worse they were harmless. It's fucking trees.

 **AdzySlayer** 05/02/2022 19:00
Grief is grief, if somebody went to a players area and planted trees everywhere, it would be a bannable offense.

 **Nerdy** 05/02/2022 19:00
You've LITERALLY non consensually YEETED me to space. Multiple times.

 **AdzySlayer** 05/02/2022 19:00
big or small, a grief is still a grief.

 **Nerdy** 05/02/2022 19:00
You think that doesn't annoy me?

 **Nerdy** 05/02/2022 19:00
You think that doesn't annoy me?

 **AdzySlayer** 05/02/2022 19:01
I have done that to everybody, and I always land them safely back at spawn, and if anybody dies they usually get their EXP back or MORE than they had.

 **Nerdy** 05/02/2022 19:01
Or upset me?

 **AdzySlayer** 05/02/2022 19:01
I have also told you, MORE THAN ONCE, if something goes too far, drop me a DM and tell me.

 **Nerdy** 05/02/2022 19:01
Yeah. But that's still fucking with people without consent. You gotta stop it, dude.
I'm not the only one who has a problem.
[redacted] and others think you and [redacted] have legit abused admin.

 **AdzySlayer** 05/02/2022 19:02
I 100% have not. [redacted] I need to speak to.

 **Nerdy** 05/02/2022 19:02
[redacted] summoned a bunch of roaches in her base. How is that not grief
How is that NOT bannable n

 **AdzySlayer** 05/02/2022 19:02
Again, [redacted] I will speak to.

 **Nerdy** 05/02/2022 19:02
Even the drop bear. You let me know and said it was RP but you put shit in my build that wasn't there

 **AdzySlayer** 05/02/2022 19:02
This current situation is not about me, or [redacted]. Sort your shit with Savannah.

 **Nerdy** 05/02/2022 19:03
I sent her a DM.

AdzySlayer 05/02/2022 19:17

I didn't name them because it was early days, and it didn't really need mentioning. You are a well known player on the server, and people would obviously ask questions.

Nerdy 05/02/2022 19:18

Yeah. Sure. THAT'S why it got personal.

AdzySlayer 05/02/2022 19:18

AND as I said, I didn't want rumours to be spread

Nothing about this is personal Nerdy.

How is this personal?

What was said in that announcement is the exact same thing I have told you.

Nerdy 05/02/2022 19:18

Uh huh.

Pointing out my words like I was INTENTIONALLY targeting a child

Yeah that's not personal.

It was a perfect storm of two stressed people butting heads.

And WHEN in that discussion last night did I say shit that was offensive?

For fuck's sake I was making a statement.

I wasn't harassing anyone. I was trying to clarify shit.

AdzySlayer 05/02/2022 19:20

Nowhere in that did I say you were intentionally targetting a child. nor did I say you said anything offensive in our chat?

Nerdy 05/02/2022 19:21

Paragraph three and four.

You imply I was intentionally doing stuff to show Savannah what leadership was.

AdzySlayer 05/02/2022 19:21

And you tell me you weren't?

 **AdzySlayer** 05/02/2022 19:20
Nowhere in that did I say you were intentionally targetting a child. nor did I say you said anything offensive in our chat?

 **Nerdy** 05/02/2022 19:21
Paragraph three and four.

 **AdzySlayer** 05/02/2022 19:21
And you tell me you weren't?

 **Nerdy** 05/02/2022 19:22
No

 **AdzySlayer** 05/02/2022 19:22
you said to me MULTIPLE times during this entire thing "being a leader isn't fun, being in a position of power is stressful" etc every time I asked you to stop

 **Nerdy** 05/02/2022 19:22
My concerns were literally genuine.
Yeah they seemed stupid. But I wanted to know.

 **AdzySlayer** 05/02/2022 19:22
You also said to me multiple times "she shouldn't be running, if she can't handle the stress of being hounded" etc.

 **Nerdy** 05/02/2022 19:23
Yeah. That doesn't mean that was WHY I was asking shit
Holy fuck man I'm not a monster.

 **AdzySlayer** 05/02/2022 19:23
you used that to justify your actions however. so yes, that's how it was read, and not only by me.
I never said you were

 **Nerdy** 05/02/2022 19:24
well that's how YOUR post reads.

 **AdzySlayer** 05/02/2022 19:24
but idk if it's your friends dog dying, or some shit going on in your life, I know you are genuinely better than this. which is why as I said, if you mend the relationship you can come back
and I will clarify why you came back in a further announcement if you do come back, hell, I'll even let you post your own announcement
But the last 2 days, have been out of character for you, and honestly have been shocking. Even JONNY is upset with you. do you know how much you have to fuck up to make JONNY Give a shit?
Look, Nerdy, you're my friend, you really are, I think you're hilarious, and yes, we butt heads because it's 2 fucking alphas butting heads, but that happens.

I am trying to do what is best for everybody on this server. Nothing here is personal, if you read it that way then I do apologise. I genuinely just want you to do better. and fix the issues with Savannah. mend those bridges, and then you can come back if all is understood. is that ok? (edited)
And like I just said. I do think this is out of character for you.
And I do hope you take this time to go chill out, take some weed, gather your thoughts. and just fix shit.

 **Nerdy** 05/02/2022 19:34
Yeah I'm stressed about Pudge passing-- I can't even go VISIT my friend because of this damn snowstorm and I feel like I don't even get to say good bye to a dog who meant a LOT to me. She was an arthritic mess but she was OUR arthritic mess. I lost someone I cared about and yeah maybe I'm just STUCK on the ANGER stage of grief and that's why I'm being so volatile or whatever.

But your post reads like I'm a fucking monster who actively targeted a child for shits and giggles. THIS is why I didn't want minors on the server. Savannah didn't say a damn thing about me upsetting her. I told her she could talk to me if I was being a bit much or whatever, and she *did not*. Word got out that she'd had a 'panic attack' the day before and folks were concerned [not JUST me] that someone shouldn't be playing this *stupid block game* if they were having legitimate panic about it.

I get it, I've been a bit of a prick. But to make it a BANNABLE offense is absolutely ridiculous. And comparing me to Xeg, who I *literally fucking warned you about* is a goddamn insult. He ACTIVELY tried to incite harassment. I upset a child because I was too anal about a stupid video game. There is a VAST difference between the two and to compare me to him and make an announcement like that is a goddamn insult.

Say I'm on sabbatical or whatever cuz I don't even want to talk to YOU til my head cools over this and how it was handled.

And OFC Jonny is upset. Savannah is like his daughter. He's extremely biased when it comes to her and subjects involving her. I'll handle it.

 **Nerdy** 05/02/2022 19:43
I'm asking you to delete or rewrite your announcement cuz it comes across as pretty shitty.
And never fucking compare me to Xegamas.
