Lesson 5.07- That's a Wrap

Plot Element -review	Description
5.Resolution	

(page 2)

The resolution of a story has several jobs. It provides readers with a sense that the journey is _____.

It resolves the _____ and shows what the characters _____ (or failed to _____).

It gives a glimpse of how things will be _____.

Vocabulary review:

Theme- lesson or message about life that a text communicates to the reader.

Remember: texts can have more than one theme, the theme is what the readers learn in response to the character's experiences, a theme is not one word (that is a topic), and themes should be stated in a complete sentence.

Theme formula:

Topic + what the story _____ about the topic= theme sentence
