Come and volunteer to be in the boat, on shore, in the water, on the dock, on skis, and around the park helping to capture the most for all of our participants coming to this water skiing experience.

For all looking to volunteer, water ski, or otherwise participate in the lakeside activities, please complete our waiver forms and temporary event membership forms for our compliance to the sanctioning making this event possible:

It works very well to go to that link and type in your information right in the web browser. You will see the data entry boxes for you to complete the form and save your input to a document file that you can send us by email: kurt@lynzay.org. At the same time, please print out the form and bring the hard copy with you when you come to the event. If you have any difficulty with this, just let us know, and we will coordinate an alternative to get this done with you as it works best for you.
