

Barker's Art Week 4

Welcome to week 4 everyone! I hope you all had a great weekend!

This week you will be finishing up the assignment you started last week. In this assignment you will be drawing and coloring your favorite spring or summer memory. This can be an actual memory or a memory that you create (fiction).

The guidelines will be:

1. Drawing must cover the entire page, no blank space.
2. Must provide clear detail on what an object is in your drawing.
 - a. Truck must look like a truck.
 - b. Dog must look like an actual dog.
3. Drawing must be colored
 - a. Think back to my poster in the classroom about what strong coloring looks like.
4. Be sure to stay school appropriate.
5. With two weeks to complete this project I expect quality work.
