

How to print the puzzle piece template across two A4 pages (Windows)

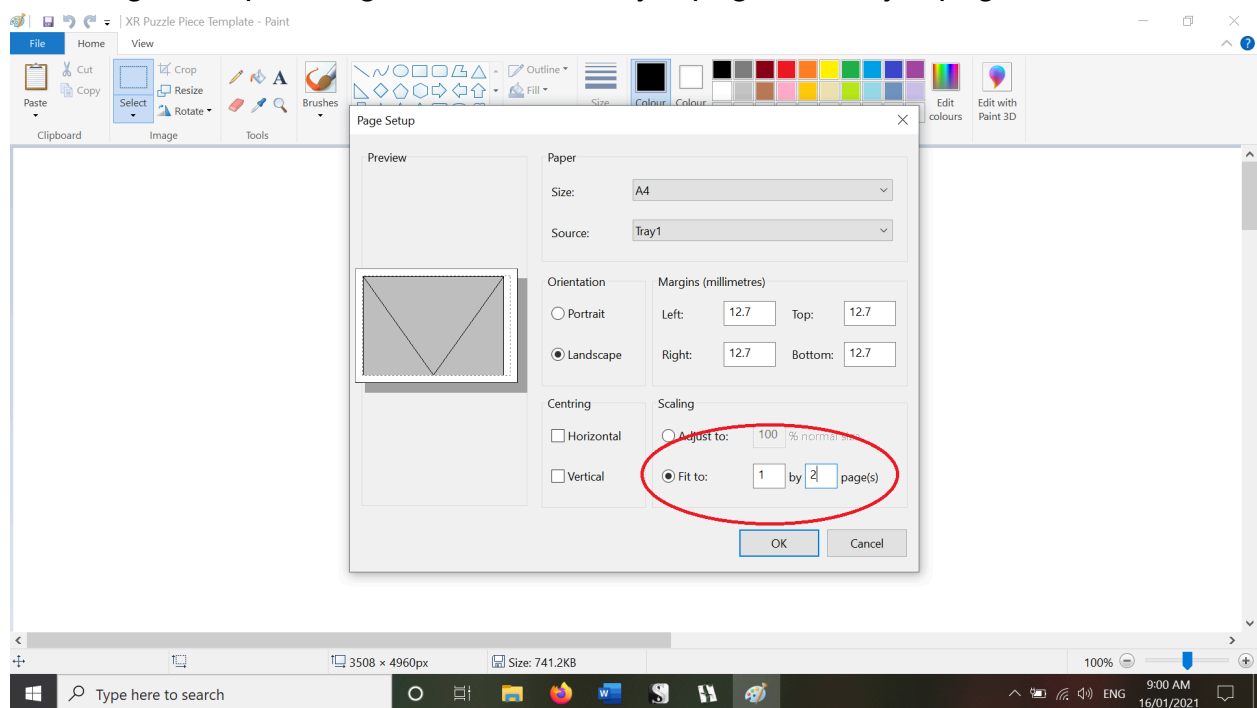

1. Download the puzzle piece template.
2. Open Microsoft Paint.
3. Open the puzzle piece from its location on your computer.

4. Once it is open, go to File > Print > Page Setup.

5. In Page Setup, change 'Fit to' from 1 by 1 pages to 1 by 2 pages.

6. Hit print. The template should now print across two A4 sheets, and you can cut it out and stick it together!
