**Jobs for teenagers**

About half of 16 and 17 year olds in the United Kingdom have got jobs, and three quarters of this age group also go to school. They do part-time jobs before or after school and at weekends. The most common jobs are babysitting(very popular with girls) and paper rounds(popular with boys). Cleaning and working with a shop are also popular jobs.

In the UK school students are not allowed to work more than two hours on a school day, or more than twelve hours in total during a school week. They are not allowed to

work before 7 a.m. or after 7 p.m. (but babysitters can work later). They must have at least two weeks' holiday from school each year when they don't work at all.

Teenagers do part-time jobs because they want to earn some money. However, they don't usually earn very much. In the UK there is a minimum wage for adults: 5-6 pounds an hour. For 16 and 17 year olds, it is 3.5 pounds an hour. For children under 16 there is no minimum wage, so many teenagers work for 2-3 pounds an hour.
