

A Note from Ms. Todesco! (6th & 7th PBL/PLTW/CCR)
October 13, 2019

6th and 7th Grade

All classes will be finishing their PBL projects this week. We will mainly be focusing on painting, and putting on finishing touches. All work should be done by Friday, October 18th. There will also be a reflection due on Thursday.

So far the group contracts have been going very well. Students have been very insightful in response to what they want to see and how they want to work. I'm very proud of their insight. Overall, the group work and effort has increased and the students are taking more initiative in their interactions, which will greatly benefit them later in life.

If you have any questions about your child's group contract please send me an email at ltodesco@mfisd.txed.net.

Have a great weekend!
