

Kya huya mujhe kya huya

Aye khuda mere khuda
Mujhe kya hua mujhe kya hua
Dil rooth ke toot ke chur hua
Mera yaar meri nazron se dur hua

Aye khuda mere khuda
Mujhe kya hua mujhe kya hua
Dil rooth ke toot ke chur hua
Mera yaar meri nazron se door hua

I'm sitting at the window thinking about my life
Mumbai city you can see the lights
What happend to the phone calls in the night
What happend to your dressing of date night

Aye khuda mere khuda
Mujhe kya hua mujhe kya hua
Dil rooth ke toot ke chur hua
Mera yaar meri nazron se door hua

Kya hua tujhe kya hua
Mujhe neend naa aaye aisa pyaar hua
Heer ke peeche bura haal hua
Ranjha tere liye bekraar hua

Aye khuda mere khuda
Mujhe kya hua mujhe kya hua
Dil rooth ke toot ke chur hua
Mera yaar meri nazron se door hua

Meri baahon mein hai tu
Mere khwaabon mein hai tu
Jab tak hai yeh zindagi
Meri saanson mein hai tu

Tujhe kyun hai yeh guroor
Bol mera kya kasoore
Jo bhi dega woh saza
Woh bhi mujhe manzoor

Aye khuda mere khuda
Mujhe kya hua mujhe kya hua

Dil rooth ke toot ke chur hua
Mera yaar meri nazron se door hua

I remember when we used to hold hands
Walk in on the beach with toes and sands
I fell in love from the first place
I know you men for me all I want I chase

Kya hua tujhe kya hua
Mujhe neend naa aaye aisa pyaar hua
Heer ke peeche bura haal hua
Ranjha tere liye bekraar hua

Aye khuda mere khuda
Mujhe kya hua mujhe kya hua
Dil rooth ke toot ke chur hua
Mera yaar meri nazron se door hua

Aye khuda mere khuda
Mujhe kya hua mujhe kya hua
Dil rooth ke toot ke chur hua
Mera yaar meri nazron se door hua
