Commission Examples

Pricing

Commission prices vary depending on canvas size and the subject

Canvas size options: 8x10, 10x10, 9x12, or 11x14

Larger canvas sizes (12x16 and 18x24) are an additional \$10

Solid color backgrounds are free. Gradient or ombre backgrounds are an additional \$10

I will give your painting a quote after I know the reference picture, canvas size, and background design. Shipping is calculated separately, so please provide your ZIP code for a shipping quote. Shipping is US only.

All commissions require a deposit;
50% of the quote is due upon ordering

Once the background and first layer of paint are completed and approved, the remaining 50% will be due. I will not continue the commission until the rest is paid. The cost of shipping will be added to the remaining 50%.

Only 2 small changes can be made to the painting for free. Requesting major changes later on in the painting process will cost a fee depending on the amount that needs to be redone.

I'll keep you updated via email with questions and progress pictures throughout the process, so make sure to check your email often.

Payment Info

I accept payments through PayPal and Zelle

When we have agreed on a price for the painting and the form of payment, I will send you my payment information.

After a commission is completed, I will package and ship it within 1-2 business days. All paintings will be shipped via USPS. I will email you a tracking number after the painting has been shipped.

I am not responsible after shipping. Shipping times/estimated delivery dates may vary and are out of my control.

Additional Info

If there is a deadline for a commission (birthdays, Christmas, anniversaries, etc) PLEASE let me know at least 4 weeks in advance.

After a commission is completed and paid for, I will most likely post the artwork on my social media and website. PLEASE let me know if you don't want the commission to be posted online. Let me know if you have any specifications for your commission.

I have 3 slots open for commissions at a time, and I will work on the commissions in the order I receive them. I'll let you know when I begin working on a commission, but please expect the painting to take 2-4 weeks to complete.

COMMERCIAL USE

Be clear with me if the commission will be used for things that are to be sold such as merch, stickers, shirts, etc. There is an additional fee of \$20 per image for commercial use.

Terms and conditions are subject to change.

Thank you, I look forward to working with you! Please reach out to me with any questions!
