Spring Cleaning Your Career

Week 3 - What's Stopping You?

Pick 1-3 of the projects you most want to do or do more of, rank 1-6 which obstacles are in your way and then answer the questions for each obstacle.

Project:	Ranking
Time	
How much time do you think you'd need to start this project? How much time would you need on an ongoing basis?	
Permission	
Who/what are the gatekeepers? Is there anything within your control to get a yes?	
Equipment/Facilities	
List exactly what you need How much does it cost/how difficult to get? Do you know anyone who can help you with it for free or cheap? Will it be an investment you can re-use for future/other projects?	
People/Crew/Cast	
List exactly who/what you need How much would they cost/how difficult to find? Do you know anyone who can help you with it for free or cheap? Or anyone you can barter your skills with?	
Knowledge	
What do you need to learn to start? Who are some resources you can tap to get that knowledge?	
Fear Factor	
How much is about fear of failure, self-sabotage, fear of asking for help, etc?
