Chapter Presidents,

It is time to start working on your chapter's 10-year history. The completed form will be due in July 31, 2024. You will be responsible for compiling (or appointing a committee to compile) this report and sending to your District Committee Member on the Research Committee.

<u>Guidelines for the 10-year report</u>

- **Chapter name, date founded and geographical area**
- **List of officers**
- **Outstanding Chapter Programs**
- **Chapter Projects**
- **Chapter Membership Participation in DKG beyond the Local Chapter**
- **Scholarships, Honors and Awards to Members**

Each chapter is limited to four pages.
It is to be typed in Microsoft Word – RTF (Rich Text Format)
Use Times New Roman with 12 font size

You may find the needed information in chapter minutes, yearbooks, newsletters or web pages.

Would you prefer a CD or Printed Booklet of the History of Louisiana State Organization Volume IX? Each chapter purchases their own copy.

Thank you for your guidance on this project. It is important to maintain the history of our state DKG.
