

Name:

Create your own Quizizz Assignment!

Directions: To help you prepare for your Test you will create your own Quizizz homework assignment that I can take.

To create your own quizizz you must do the following:

1. Go to Quizizz.com and click on **GET STARTED**
2. In the Upper right hand corner you must hit **SIGN UP**
3. Register for an account using **GMAIL** - "sign-up with google"
4. When you are logged in click on **CREATE** in the upper toolbar, and click **PRIVATE**
5. Once you click on create follow the instructions on how to add questions.

Requirements:

1. You must create **10** questions that relate to the topic
2. Add a Picture to at least **5** of the Questions. (You will need to google search for the photo and drag them to your desktop, then drag the photo into the question box.)
3. After you have completed all 10 questions click **FINISH** in the upper Right hand corner
4. Enter your grade level and subject to create your quiz
5. After you have created the quiz click on **the share button** 
6. **Copy and paste the link into canvas as a URL**
7. **OF COURSE YOUR ANSWERS HAVE TO BE CORRECT IN ORDER TO GET FULL CREDIT.**
