2. **BERGIES**

Bergies have withdrawn from the league saying they were unhappy at the mask situation when entering Bergies and other pubs. They do not feel safe and along with other reasons have decided to withdraw from the Hilltown Domino League. James Hendry thanked them for supporting the league all these years and hopefully if things change, we will see them back in the league ASAP.

The High Corner are next on the waiting list and will be asked if they want Bergies place.

3. **LEAGUE & DOMINOLOGIST TABLES**

All handed out and seems error free! Ray Noble reminded captains to fill in their team sheets in full. There has been a lot of missing info which just causes more time to be wasted.
