

## SELF EVALUATION FORM

After this week we want to hear from you so that we can take into account all matters related to organising a project so that we can improve our future projects.  
Please fill this survey and let us know your thoughts

### SECTION 1 Preparations

1. Was the information you received about the programme in general adequate?
2. Was the information included about the city and places we were visiting useful?
3. Was the information about the workshops helpful to carry out the activities?

### SECTION 2 Organization

4. Was the programme well organised?
5. What would you add in the programme?
6. What would you change in the programme?
7. Were you satisfied with the level of support you received for the programme?

### Accommodation and meals

8. Were you satisfied with the accommodation? (location, comfort, cleanliness,...)
9. Did you find the meals varied, healthy and adequate?

### SECTION PROGRAMME

10. Which were the most relevant workshops?
11. Did you find the visits interesting? Which were the most interesting places?
12. What were the activities you like most?

### SECTION PERSONAL RELATIONS

13. Did you feel comfortable with the other students? with the teachers?
14. Did you find it easy working with foreign students?
15. Did you have enough time to relate and exchange ideas?

### SECTION OVERALL IMPRESSIONS

16. How do you rate your overall satisfaction with this mobility?
17. What were the most interesting things in the meeting? Why were they interesting?
18. If you were dissatisfied with any aspect, please comment further:
19. How would you improve this programme?
20. What aims of the meeting have been achieved?
  - learning new artistic techniques
  - Being creative
  - Working as part of a team
  - Communication and presentation skills in English
  - Being self-motivated and taking on an appropriate level of responsibility
  - Using technology and equipment
21. What will be the impact of this project on you and your school?
22. Why would you recommend taking part in this Erasmus+ project?
