General:

Abortion is still legal in [insert state here]! Check out <https://ineedana.com> to find the clinic and funds nearest you.

Anyone looking for ways to help abortion access in the US right now should read this thread! <https://twitter.com/helmsinki/status/1320875980123234305?s=19>

There is a strong network of abortion funds throughout the country that have provided financial and practical support for decades! Folks can visit <http://abortionfunds.org/need-abortion> to find their local one 😊

Anyone interested in promoting abortion access in the United States should donate to [@AbortionCare](https://keepourclinics.org) to keep independent clinics (which provide 2/3 of abortions open) at <https://keepourclinics.org> or to their local [@AbortionFunds!](https://abortionfunds.org/need-abortion) <https://abortionfunds.org/need-abortion>

This a great opportunity to remind people that not just women get abortions! Say people instead of women and acknowledge the experiences of trans men and nonbinary people who have abortions 💕

There are practical support orgs throughout the US that help abortion seekers travel to different states for their procedures, such as [@BrigidAlliance](https://brigidalliance.org/donation/) and [@MidwestAccess!](https://midwestaccesscoalition.org/pages/donate)

Brigid: <https://brigidalliance.org/donation/>

MAC: <https://midwestaccesscoalition.org/pages/donate>

There are already existing networks of abortion funds, abortion clinics, and apps and websites to help abortion seekers locate the best ones for them, such as

[@AbortionCare](https://abortioncarenetwork.org/find-a-clinic/) and [@i_need_an_a!](https://ineedana.com)
