

## **Michigan Thespian Festival Information Packet**

### **What:**

The festival is a 2-day event for high school theatre students and teachers. There are nearly 100 workshops, 21 competitive event categories (called Thespys), over 50 exhibitors and sponsors, full length shows, and scholarship opportunities to choose from. Most of all though, it is just a great way to come together and share our collective love of theatre.

Check out their website for a lot more detailed information (**scroll all the way down**):
