

Class Outline 4/11/12

This class I have gathered a variety of interesting sites that once you see them, you will wonder how you lived without them for so long.

This week's topics are the following:

A. Brain games <http://www.parade.com/games/lumosity/index.html>

B. A forum on current and unusual topics <http://www.abovetopsecret.com>

C. Internet Music

1. Pandora
2. Groveshark
3. Spotify
4. Google music
5. iTunes
