GEORGE FLOYD

GEORGE FLOYD

Take Action At: <https://www.justiceforbigfloyd.com/>

This is the official site for George Floyd. By signing this petition, your name/message will help make sure the officers responsible for George Floyd's murder will be held accountable and convicted.

→ HIS STORY

- ◆ George Floyd was in Minneapolis on business, far from his family and community, when four Minneapolis police officers murdered him in broad daylight. It was, in effect, a modern day lynching as those police officers served as judge, jury, and executioner on an unarmed, non-violent, handcuffed Black man. Though Derek Chauvin and the other three officers involved are in custody following their being charged with Floyd's murder, his family has yet to receive complete justice for the tragic loss they now face. The four officers must be convicted for these charges.

→ PETITIONS

- ◆ <http://chnq.it/ctREBgPyWM>
This petition was created by Kevin Cunningham. Your signature will be sent to Hennepin County Attorney Mike Freeman and ensure Floyd's killers are prosecuted.

BREONNA TAYLOR

BREONNA TAYLOR

Take Action At: www.justiceforbreonna.org

This is one of the two official websites for Breonna Taylor. There is a list of demands that the family would like met and by signing you would be helping these demands come to fruition. Although 2 of the 7 have been met there is still work to be done. ***Demand 7 calls for no knock warrants and although Breonna's Law was passed, the ban only applies to Louisville.*

<https://www.standwithbre.com/>

This the second official website for Breonna Taylor. The petition is 107% over its goal, HOWEVER, there is an option to make calls where they walk you through the entire process.

→ HER STORY:

- ◆ On the night of March 13th, 2020, the Louisville Metro Police executed a warrant, looking for drugs they never found, reportedly trafficked by a person who did not live with Breonna or in her complex-and whom they already had in custody. They sprayed her home with 20 rounds, shooting Breonna 8 times, killing her in her bed. She was a 26 year-old EMT resting between shifts during the pandemic when she was killed in her sleep. Her killers still roam free.

Hello,

My name is _____. I am contacting you in regards to the recent murder of Breonna Taylor. I am joining her family in asking for the following four things:

This is the official site of Ahmaud Arbery. By signing this petition you will be putting pressure on the Georgia Bureau of Investigation to bring charges against Arbery's killers as well as investigate the possible involvement of Glynn County Police Officer Robert Rash.

→ HIS STORY

- ◆ Ahmaud Arbery, a fit athlete, was out jogging near his home on a Sunday afternoon in Brunswick, Georgia on February 23, 2020, when two white supremacists saw him, got their guns, got in a truck, chased him down, pulled up next to him, shot him at least two times, and killed him right there on the spot. Ahmaud was

unarmed, broke no laws, and did nothing wrong. He was only 25 years old when he died. His two killers have been arrested, but there was at least one more person involved in his murder that still is free.

DION JOHNSON

DION JOHNSON

→ HIS STORY

- ♦ On May 25, 28-year-old Dion Johnson was allegedly sleeping in his car on the side of a north Phoenix highway when a Department of Public Safety trooper shot him, alleging he feared he would be pushed into oncoming traffic. Johnson's family is demanding the release of the name of the trooper, the official report of the incident and any video footage that may exist. The trooper was reportedly not wearing a body camera, did not have a dashboard camera, and there were no known witnesses. ROBERT FULLER

→ HIS STORY

Robert Fuller was a 23 year old black man found hanging from a tree in Palmdale, California on June 10, 2020. We demand the Los Angeles Sheriff's Department Palmdale Station and the City of Palmdale to conduct a full, thorough investigation into Robert's death. We demand security footage in Poncitlán Square to be presented and audio of the call placed when his body was found. We demand justice to be served for Robert and his loved ones.

ELIJAH MCCLAIN

ELIJAH MCCLAIN

→ HIS STORY

- ◆ Elijah McClain was only 23 years old when he was murdered by police officers in Aurora, Colorado while walking home from the gas station on the cold night of August 23rd, 2019 after buying his brother an iced tea. He was wearing a ski mask to stay warm because of his anemia. Somebody called 911 to say he looked "suspicious" and once the police arrived, they immediately restrained him, one of them saying he looked "suspicious" as the only reason why. Elijah's horrible situation was similar to George Floyd's; he gasped the same haunting words to the police after being restrained for a couple minutes: "I can't breathe". He was injected with ketamine by the officers. An ambulance was called and he went into cardiac arrest on the way to the hospital. He died a few days later. The officers were wearing body cameras during the incident but claimed they "slipped" and weren't able to capture all of the footage.
- ◆ Elijah McClain and his family deserve justice. It has been almost 10 months since his death and none of the officers involved have been charged.

MATTHEW TUCKER

→ HIS STORY

- ◆ Matthew Tucker was murdered by two Riverside police officers, Rosa Calderon and Michael Hamilton, in Temecula on May 4th, 2016. He has called the police to his house due to having suicidal thoughts. Responding officers confronted a teenager, as he stood in his own garage holding a knife. They ordered the emotionally distraught teenager to drop his weapon. When the teen did not, officers disregarded all procedures for a suicide crisis and several cries from his mother for the officers to not shoot her son. Officers then fired several shots without any attempts to de-escalate the crisis, without employing any tools or techniques to apply less than deadly force, killing Matthew. Officer Michael Hamilton had multiple accounts of racial discrimination charged against him in the past.

Ordinance 11746

The Ordinance prohibits a person from entering a crime scene or investigation scene without permission of an officer; and prohibits a person from knowingly obstructing or hindering a police officer or Community Service Officer who is exercising his or her official duties. The Ordinance **also expressly codifies a person's right to record police activities that take place in public**. It doesn't just recognize that right, it puts that right into our City Code.

The Ordinance expressly states that:

1. **the public has a clear right to free speech and to record police activities that take place in public; and**
2. **the acts of recording police activity or engaging in constitutionally protected speech alone shall not be considered prohibited conduct under the ordinance.**

HOWEVER: If a person filming is seen to be obstructing or hindering the duties of an officer, TPD can arrest them on the basis of violating the code by obstruction or coming into the crime scene.

Petition to Rename the Edmund Pettus Bridge after Rep John Lewis

- The Edmund Pettus Bridge, now a National Historic Landmark, was the site of the brutal Bloody Sunday beatings of civil rights marchers during the first march for voting rights. The televised attacks were seen all over the nation, prompting public support for the civil rights activists in Selma and for the voting rights campaign. After Bloody Sunday, protestors were granted the right to continue marching, and two more marches for voting rights followed. It is still named after a racist.
