Aren’t they sparkly, all of those lights,

All of those lights,

Aren’t they sparkly?

La, la la…la la la la-laaaaa…

Aren’t they twinkly, pretty, and bright,

Pretty and bright?

Aren’t they twinkly?

La, la la…la la la la-laaaaa…

In the hall,

On the trees,

In the whole world,

Make it sparkly, please!

Aren’t they sparkly, all of those lights,

All of those lights,

Aren’t they sparkly?

La, la la…la la la la-laaaaa…

Aren’t they twinkly, pretty, and bright,

Pretty and bright?

Aren’t they twinkly?

La, la la…la la la la-laaaaa…

Sparkly

“NOT ENOUGH SNOW”

Not enough snow…
I want snowflakes!
Not enough snow…
I have heartaches!
No snowballs, no snowforts,
No sliding down hills…
Run run run, slide slide slide,
Without snow it’s no fun.
No snow days, no snowmen,
No wintertime thrills...

Run run run, slide slide slide,
Not enough snow…
I want snowflakes!
Not enough snow…
I have heartaches!
No snowballs, no snowforts,
No sliding down hills…
Run run run, slide slide slide,
No snow days, no snowmen,
No wintertime thrills...
Run run run, slide slide slide,
Without snow, it’s now fun.

Spilled my milk on the kitchen floor,
Cleaned it up then asked for more,
Try again, try again…
Cleaned it up then asked for more.
Spilled my milk, but I will try again!

Swing my bat at balls that fly.
Can’t hit those, I don’t know why?
Try again, try again…
Can’t hit those, I don’t know why?
Swing my bat, so I will try again!

I’m gonna try again.
Yes, I can try again.
I’m gonna try again.
I can do it if I try!

When you make a small mistake,
Practice time you’ve got to make!
Try again, try again,
Practice time you’ve got to make!
Small mistake, but you can try again!

I’m gonna try again.
Yes, I can try again.
I’m gonna try again.
I can do it if I try!

I’m gonna try again.
Yes, I can try again.
I’m gonna try again.
I can do it if I try!

TRY!
