

Hello Elite Student,

I hope this message finds you well and excited for the upcoming class! To help you prepare, I'm sending over some pre-reading materials.

Below, you'll find links to resources that will enhance your understanding of the course content. These materials, including videos from Miranda Miner University and other relevant resources, are supplementary and can be accessed throughout your course. **We recommend starting with the videos available on your dashboard.**

- **Power of Each Indicator and Effective Trading Combos:**
