

In this story there are numbers with brackets. That number represents the context below. Ok, we can begin with the story.

there was an adventurer from the eastern lands[1]. He wanted to go to the west for a vacation. He was a samurai with black hair with a ponytail. He entered a cave and the cave was empty when he saw a big red dragon. but he didn't know it was a dragon because the dragon of the eastern lands are different from the western lands. the samurai He grasped his katana with both hands in a defensive position.

"Tell me, what do you want? do you want to try to kill me like other adventurers" said the dragon

"Wait. Can you talk? ok I have a question. Who are you?" asked the samurai.

"Are you stupid? I am a dragon. and if you don't have another question it is better that you go away or I will burn you!" said the dragon angrily.

"Wait... are you a dragon!?" the samurai asked surprised and he began to Worship him[2]
"Oh powerful dragon." Please bless me with your wisdom." said the samurai while he worship the dragon

"Why is he worshipping me?" thought the dragon was confused but then he had an idea. "oh thank you for worshipping me. I am going to bless you. Please don't move " said the dragon and then he licks the samurai.

The samurai was confused about the licking but he thought that was a blessing . "oh thanks powerful dragon for blessing me". said that while he continued to worship him.

The skin of the samurai started to become red but he was too busy worshipping the dragon to notice that. Then he noticed that his clothes were uncomfortable so he took off his armor and threw away his katana and in doing so revealed his small erect reptilian cock. Later he began to grow a red tail. Then his body starts to become smaler but he was so focused on the dragon that he didn't notice that his body was shrinking.

But all his body was becoming smaller and that includes his head.his thoughts were simplified. he forgot the dojo, his sensei and he could only think of the dragon. his head changed to be more rectilian.

He was fully transformed into a kobold and he looked at the big and large cock of the dragon. "worship dragon cock" and he went to the dragon cock and he started to masturbate it. the dragon moan of pleasure. "Ahh, you are a good sex slave. continue and I will give you my blessed liquid." said the dragon and the kobold used his two hands to masturbate the dragon. The cock is much bigger than him but he dont matter. He continues to worship his cock.

Some time passed when the pre-cum came out of the dragon cock and went to lick the tip of his cock to try his precum. That makes the dragon hotter. "I am going to cum soon" said the dragon and he put his mouth in an attempt to swallow all his cum. finally the dragon cum and he was pushed by the amount of cum and laid on the ground. He began to lick his body, swallowing the cum of the dragon.

"I am tired" and the dragon slept while the kobold swallowed all the cum that the dragon cum.

END

[1]the oriental lands are a mixture of the orient. based on japanese, chinese, indian, korean mythology... meanwhile the western part is based on europe and inspired by tolkien.

[2] in the oriental lands dragons are gods and people worship them. Meanwhile in the west, dragons are powerful beasts that kill adventurers and steal gold and princesses.
