Don't copy and paste:

Find the most interesting information and write short sentences about it: Use the **Present Simple** (There is / there are...) or **Going To / Will** (You are going to see...) for the places to visit & **Place Prepositions** to mention where the different places are.

c) **Find photos** to go with every sentence and **Save them**.

Include:

2) **Some general information** (inhabitants, main neighbourhoods, ...)

- Things to see: sightseeing (landmarks, monuments), Museums, Places for children, parks, ... You can use Place prepositions to locate the places (near / far from / next to/ ...)
- Things to do: Sports, walks, typical food, etc.
- (One-day trips from the city)

d) Create your Presentation with [Visme](#) / [Prezi](#) / [Google Slides](#) , or any other tool that you like **OR create a PPT and upload it to [CALAMEO](#) and, finally, publish it on your blog.**
