

Michelle Wheeler and Chris Quirke
Portsmouth High School
Social Studies Department

mwheeler@sau52.org

Being part of student learning is one of the most exciting aspects of teaching. Fostering perseverance, growth, and understanding are key elements to learning in my classroom. I'm so very happy to be able to learn with you this year.

When I'm not at school, I enjoy spending time outside and on the water with family and friends, yoga, cooking, and finding new ways to have fun!

cquirke@sau52.org

As one of the interns in the building I look forward to making the most out of my time here with you at PHS. Together we will learn and grow, asking questions about what we see happening around us in our community, country, and the world.

Outside the classroom I like to go fishing, hang out at the beach and go for a hike.
