To avoid misunderstandings we invite you to read our Terms & Conditions below.

Terms and Conditions

Process:

Submit Form > Wait for Email with quote > Confirm quote
> Payment > Work in Progress > Finished Artwork sent via email

How to Order

- I use **Google Forms** for each commission.
- Submitting a commission form is for serious offers not for general questions/inquiries. Questions can instead be directed to my email: cyanorangeart@gmail.com
- A form may be rejected if I feel I can't work on your commission.
- You must submit a form **per commission order**, you **cannot order multiple commissions in one form**.
- Quotes will be sent via the email you provide in the form. All business conversations will be done through this email. I do **NOT** do business transactions outside of this format.
- Invoice will be sent once the quote is confirmed. **Payments are in USD only.**
- Payment of Invoice adds you to our queue.
- If you are on our "**waiting list**", time and process of the commission will only start to count when you are in the official list (so please do not send me an email about how your commission is doing if you are still on the waiting list).

Process of the Commission

- Once we begin working on your order you will be notified via email.
- Work can take up to **3 days to 4 months** depending on where you are in the queue for Standard Commissions. **Comic commissions & Character Design take longer (up to 2-6 months).**
- Commissions are first come first serve. Every new commission is placed at the bottom of the queue. Keep in mind that you will only be placed in the queue once payment is received. Order of commissions may be altered by the style you choose (Sketches commissions are much quicker than painting ones for example)
- Positions in the queue will be displayed on this document only.
- During the commission process you can opt for **Sketch Confirmation**. Meaning a sketch of your commission will be sent to you before I resume work on your order. Comic commissions done in the style of Color Doodle will also include a “sketch phase”, regular commissions done in this art style won’t. **Only one round of feedback will be accepted per phase.**
- Painting style will have three deliveries: **Sketch Phase, Color Proposal and Finalized**. **Comic commissions done in any style will include 1 round of feedback per stage. Character Design Commissions will include a “Sketch Phase” and a final “Color Phase”, each phase includes 1 round of feedback. Icon & Chibi commissions only include sketch phase revision.**
- Feel free to email me once you have placed your order with questions, or to check up on the process. **Please do not spam our email with constant check ups, especially if you're near the bottom of our queue. We also do not accept random changes or add ons to a commission once we have accepted the form and have started working on your order.** SO PLEASE BE 100% SURE OF THE INFORMATION IN THE FORM.
- You can send all the references you want to the email: cyanorangeart@gmail.com. (If you need to send more references than the form

allows, feel free to email them to me). **I will not accept changes in the references provided once I have started working on your order.**

Delivery & Publishing Policies

- ★ Clients will be emailed their finished work. You will receive a JPG, PNG and TIF files of your Commission in a .zip to the email you provided. (File is aprox. 3,000px at 300 DPI)
 - ★ Posting the work is fine, under the condition that the watermark (signature and Logo) is not removed and proper credit is given to the artist. If you require us to remove the logo please contact me for permission.
-

Payment

- ☐ **PayPal** (Payment will be only in USD)
-

Refunds/Cancellations

- You can cancel/ask for a refund; but the **refund price** will be **85% to 25% depending on the commission's progress**. Once you have been added to our list, if you want a refund, that refund will still be 85% of the total price (We charge this fee over the Slot your Commission reserved, in other words, we charge a 15% reservation fee for cancellations). In the mid term of the Commission Process you can get a refund between 75-50%, and if you decide to cancel your order close to the finalized state, you will only receive a refund of 25%.
- **Refunds will ONLY be given to the same paypal email the client used to pay for the commission. Paypal fees will not be included.**
- **Refunds are not allowed after completed commissions.** I cannot draw an entire commission for free, or edit it after completion. Please make sure the

information in the form is clear and accurate, and remember you can ask for pictures of work in progress (Pictures of Work in Progress ONLY applies to Flat Color, Cell Shaded and Painting).

Permission & Copyright

- I have full rights over my artwork. Regardless of you being a commissioner , the art still belongs to me.
 - I only work with clients that are 18+ in age. Submitting a form and filing for a commission confirms that you are this age. Finding out otherwise will have you banned from commissioning me in the future.

 - Commercial use of the commission is not allowed. If you want to order a Commercial Commission please contact me at: cyanorangeart@gmail.com.
