

Reminders:

- ☐ The list of seniors is fluid as we add or remove students determined by you and/or the counselor.
- ☐ You may receive an invite for the meeting for one week, but not the next depending on whether or not the student in question is still on the watchlist
- ☐ The meetings are held over Zoom. Kristen Schneider will move you to one of the counselor's breakout rooms to discuss your senior student. As you finish with that counselor, the counselor will move you quickly to the next break out room if it's needed.
- ☐ We'll only be discussing seniors in danger of failing and the classes/credits they **NEED** to graduate.
- ☐ Email communication with the counselor does not substitute for meeting attendance.
