

Tu sehmega haan bikhrega
Phir simtega tab nikhrega
Tu woh parinda jo phir udega

Aasmaan hai tera baandh le hausla
Chal kadam to badha hai aakhri saamna
Tere jism ka lahu behna to baaki hai
Mar bhi gaye to kya hua mitna to baaki hai

Tu sehmega haan bikhrega
Phir simtega tab nikhrega
Tu woh parinda jo phir udega

Jo phir udega jo phir udega
Tu phir udega, tu phir udega

Bandeya bandeya
Jo is raah garajte hain
Nahi jeete woh paheli mein
Jis tan preet maran mitne ki
Woh sir ko rakhein hatheli mein

Tera jism samandar pee aaya
Tu patal ke andar jee aaya
Tera naam kalandar kehlaya
Ke tu jee aaya tu jee aaya

Tera rosh bawandar sa chhaya
Tera hath paigambar ka saaya
Tera naam kalandar kehlaya
Ke tu jee aaya tu jee aaya

Tere jism ka lahu behna to baaki hai
Mar bhi gaye to kya hua mitna to baaki hai
Mitna to baaki hai..

Tu sehmega, tu sehmega
Haan bikhrega, tu bikhrega
Phir simtega, phir simtega
Tab nikhrega, tab nikhrega

Tu woh parinda jo phir udega
Tu phir udega jo phir udega
Tu phir udega jo phir udega

Tu phir udega tu phir udega
Tu phir udega
