

UMBC SGA Senate Legislation

SL 55-1617

Author: Evan Leiter-Mason, Sarah Lilly

Sponsor: Evan Leiter-Mason

Date of Introduction: April 10, 2017

Allocation of Funds for the Support and Expenditures of the Open Source Textbook Initiative

Whereas, the Student Government Association (SGA) Senate has a budget of \$5,000.00 to support initiatives of interest to the Senate,

And whereas, the SGA and the SGA Senate have standing policies and traditions of being a resource to the undergraduate student body at UMBC,

And whereas, the Senate has been working to promote Open Source Course Materials as a tool to reduce the cost of textbooks for students,

Let it be resolved, the SGA Senate allocates \$61.97 to support the Open Source Materials initiative as follows:

Item	Amount
Introductory Statistics Book	\$33.50
Introductory Psychology Book	\$28.47
TOTAL	\$61.97

Number of Senators For:
Number of Senators Opposed:
Number of Senators Abstaining:
Number of Senators Not Present:
Date of Passage/Failure in the SGA Senate:

The above piece of legislation has been presented to the Student Government Association Senate of the University of Maryland, Baltimore County, and has received the votes indicated above.

Date: _____

Sarah Lilly, Speaker of the SGA Senate
