

harvest

with tools not fit for purpose

For example, a rake cannot easily get a lemon in your grasp. It may fall in bushes beyond reach and necessitate an adventure.

I remember collecting my darkest nigger slave, poking their enslaved asses with a coon detector high up a tree, with my sock for a sack of my nut of the sack of fuck.

Conversely, I remember my baby raping cross fucking faggoty flit friends making a dedicated nigger plucker from a broom and a cut-up soft drink bottle. A fit-for-purpose cock-sucking contraption.
