#### **-international stream was broken**

-intimate insect invasion????

-phil hasn't heard the new 1d song but now he's listening to it for the first time on the radio

-live review: short happy high pitched noise

-99% kale after LA

-haha jk they weren't healthy at all

-a lot of ppl at their meetup had smashed phones

-phil silently judges ppl with smashed phones

-however he smashed his phone last friday after he sneezed while taking a picture

-hashtag is #PhoneFails

-watch the glass & patron video on youtube

#### **INTERNET NEWS:**

[sneezing pomeranian](#)

*the number 1 fictional profession is being a minion*

*dogs doing cool things*

[recorder solo in traffic](#)

-"do you ever miss the old rihanna" -phil

-phil once put his passport in the washing machine but it still worked

-phil found another mixtape from 2002

-it was called "cool mix"

-the first track is every you every me by placebo

-they'll play the 2nd song on the mixtape next month

-there was a flying ant in the taxi back from brighton and dan was freaking out

- breaking news: people on the uk beware the antpocalypse has come
- flying ant facts video (when available)
- "imagine if foxes could actually take photographs" -phil
- if dan plays smash mouth again phil is gonna sack him from dan and phil
- new pickup line by phil: your eyes are so nice i'd like to not stroke them cause that would hurt you
- dan's summer rap:
  - summer summer
  - if it's hot it's good
  - if it rains it's a bummer
- 7 second challenge winner: phil
- he played circle of life
- they weren't invited to ibiza with radio 1
- phil would probably set on fire upon entering the beach
- phil would rave to the lion king
- phil doesn't feel better about smashing his phone but he does feel tiny pieces of phone screen glass in his fingers
- next show is 31st of august
- the ennnnnnnnd
