Story

(In the Jungle – The SC Pets AU)

[The story begins in the jungle where we see Pet Catnap with a knife in his mouth on Dimension Hoppy's neck while Dogday approached Hoppy]

(Pet Dogday)

“Who are you...Faker?”

[Hoppy raises her eyebrows when she hears Pet Dogday call her a faker]

(Dimension Hoppy Hopscotch)

“Faker? Since when was I a faker?”

(Pet Wolfy Winterpop)

“You tell us, are you working for that Evil CEO man?”

[Evil CEO man? What is he talking about?]

(Dimension Hoppy Hopscotch)

“I’m sorry, I don’t know who this “Evil CEO” is.”

(Pet Wolfy Winterpop)

“Wait...you don’t know...the CEO?”

(Dimension Hoppy Hopscotch)

“N-No?”

(Pet KickinChicken)

“And how do we know that this isn’t a trap?”

(Pet Dogday)

“Kickin.”

(Pet KickinChicken)

“WHAT? It’s true.”

(Dimension Hoppy Hopscotch)

“Okay first of all, I do not know what you’re all talking about. And secondly, why is there another me?”

(Pet Dogday)

“I had the exact same question.”

(Pet Bubba Bubbaphant)

“Okay Catnap, get off of him now.”

(Pet Catnap)
“But what if she’s evil?”

[Bubba gives him a “Get off of her now” face as Catnap groans and gets off of her]

(Dimension Hoppy Hopscotch)
“Thank you.”

[Hoppy gets up from the dirt ground as she dusted herself off]

(Dimension Hoppy Hopscotch)
In Head “Man, did I really get threatened by a bunch of baby animals?”

(Pet Hoppy Hopscotch)
“Woah! Now that I look at you standing up, you look really cool!”

(Dimension Hoppy Hopscotch)
“Oh?”

(Pet Hoppy Hopscotch)
“Yeah, I mean...look at you, you look like something out of a 50's show, like uhh.....what are they called again?”

(Dimension Hoppy Hopscotch)
“Greasers?”

(Pet Hoppy Hopscotch)
“Yeah, that. You look like one of those Greaser gangs from the 50’s! You look cool in that!”

[While Hoppy doesn’t take compliments from others, this was her first time she ever got a compliment from her look and appearance, it honestly made her feel...happy in a way]

(Dimension Hoppy Hopscotch)
“Why...thank you...me?”

[It was awkward for the two Hoppy's, it wasn't normal for a critter to see two versions of themselves from different dimensions, it almost felt unnatural]

[Just then, three other Dimensions Critters come out as they saw Dimension Hoppy okay as they sighed in relief, but when they look at the Pet Critters however...]

(Dimension SquimFly)
"Awe, they look so cute!!"

(Dimension Sneaky Foxey)
"I know right?"

[But with Dogday, he saw another version of himself as both of them simultaneously tilted their heads in confusion]

(Pet Hoppy Hopscotch)
"Woah!! There's a mirror version of Dogday also!!"

(Pet Wolfy Winterpop)
"Hoppy that's not a mirror, that's another Dogday! HOW?"

(Pet KickinChicken)
"Who cares? If there's a another version of Hoppy here, why can't there be another version of Dogday?"

[Wolfy then grabs Kickin and runs him to the car as he and Kickin hid behind the wheel of the truck]

(Pet Wolfy Winterpop)
"Don't you get it? What if this could be a trap we're falling for? What if they are robots?"

(Pets KickinChicken)
"Relax Wolfy, they aren't robots, you're just Overreacting."

(Pet Wolfy Winterpop)
"But I'm not!!!"

[Back with the Two Dogday's]

(Pet Dogday)

“Woah! You look really cool in that.”

(Dimension Dogday)

“Heh, thanks, I’m a commander of the CAS.”

(Pet Bobby BearHug)

“CAS?”

(Dimension Sneaky Foxy)

“Critters Anomaly Squad. It’s what he calls a group of his.”

[All of the Pet Critters were in awe at that]

(Pet KickinChicken)

“So you’re like superheroes?”

(Dimension Dogday)

Chuckles “You can say so, yeah.”

(Pet KickinChicken)

“That’s awesome!!!”

(Pet Hoppy Hopscotch)

“Do you have like Superpowers?”

(Pet KickinChicken)

“Do you have Superhero names?”

(Pet Hoppy Hopscotch)

“Where do you come from?”

(Pet KickinChicken)

“Do you stop villains at night?”

(Dimension Dogday)

“Woah woah hey, I get you two have a ton of questions that you want us to answer. But it’s not what you would expect from us.”

(The Pet Critters)

“Huh?”

(Pet Catnap)

“What do you mean it’s not what we expect?”

(Dimension Dogday)

“If I told you where we came from, all of you would’ve been scared of us.”

(Pet Hoppy Hopscotch)

“What? Nah, it can’t be that bad, we can handle it right?”

[The Pet Critters all nodded as Hoppy looks back at Dimension Dogday]

(Pet Hoppy Hopscotch)

“See? They all can handle it also.”

(Dimension Dogday)

“And you sure it’s okay for me to tell you where we come from despite you’re kids?”

(Pet Bubba Bubbaphant)

“Uhh...I think you should take his warning, because if he’s saying that, then it’s not good.”

(Pet Hoppy Hopscotch)

“Oh come on Bubba, don’t you want to hear what he has to say?”

(Pet Bubba Bubbaphant)

“Yeah, but what if that warning is something dark? Even Wolfy agrees with me!”

(Pet Dogday)

“If it’s bad, you can just cover your ears, for us, we want to hear where they came from.”

[With Sneaky, she was concerned about them. Because first of all, they are way too young to hear a horror story that would be considered incomprehensible. And secondly, this wasn't a made up Fantasy Sci-Fi story or a fever dream, this was an actual true story they all went through, and she wasn't so sure if they can handle it]

(Dimension Dogday)
"Alright then, suit yourself."

[So for the next two hours, Dogday began explaining Season One entirely, he was explaining the enemies they had to face, the horrors that they went through, and other destructive things that would be considered terrifying and incomprehensible to many]

(Dimension Dogday)
"And now you know where we came from, so...any questions?"

[Many of the Pet Critters looked at Dogday both terrified and frightened, this was something WAY beyond their expectations and yet, it sounded awesome but terrifying at the same time]

(Pet Bubba Bubbaphant)
"I don't think any of us were prepared for that."

[Many of the Per Critters mutter in agreement. When they first wanted to hear where they came from, they assumed that they were dimensional heroes, NOT THE OPPOSITE OF A HERO!!! Although the more they heard of the story, the more they felt skeptical of that]

(Pet KickinChicken)
"And how do we believe you in that case?"

(Dimension Dogday)
"Sneaky has all of it recorded on her Hologram Watch if you want to see it."

(Dimension Sneaky Foxy)
"Excuse me? You want me to show horrors to a bunch of kids?!"

(Dimension SquimFly)
“Actually they’re baby animals.”

(Dimension Sneaky Foxey)
“That’s even worse!!!”

(Dimension Dogday)
“At least show it to them to prove our point!”

(Dimension Sneaky Foxey)
“No!! I’m not gonna show a recording to a bunch of kids! That’s cruel!!”

(Dimension Hoppy Hopscotch)
“We need to at least make us not look crazy!!!”

[As they were all arguing, Player/Angel, the owner of the Pet Critters was in the truck as he was trying to process how any of this was possible. First, he sees a bunch of critters, two of them looking the same, and secondly, they explained a whole story that sounded straight out of a Lovecraftian Story, and it was a lot for even to comprehend]

(Per Player/Angel)
In Head “Okay, what the f**k.”

(Back at the Nightmare Society Headquarters)

[After working on the Red Tube (File-2005-A1), she pours the altered and modified liquid in a small bottle as she pours then entirely of it and closes the bottle, she puts it into her pocket as she walks out of the Laboratory Room]

(Dimension Icky Licky)
“Baba, we have guests at our door.”

[Downstairs, the Prototype Group was waiting down stairs as they saw Baba Chops come down stairs to greet them]

(PM Catnap)

“Ah, if it isn’t...uhh...”

(Dimension Baba Chops)

“Baba, Baba Chops.”

(PM Catnap)

“Yes, Baba Chops hehe...”

[Baba raises an eyebrow as PM Catnap clears his throat]

(PM Catnap)

“So, shall we get started with your final decision?”

[Baba lead them all to her office as the Prototype Squad enters the room, PM Catnap took a seat while the others were standing and leaning besides the other wall]

(Dimension Baba Chops)

“So, I told you on the phone to come here after I made my final decision yes?”

(PM Catnap)

“Remember that loud and clear.”

(Dimension Baba Chops)

“Well, I made up my mind, I decided to agree to working together...however, under one condition.”

(PM Catnap)

“And that is?”

(Dimension Baba Chops)

“If I ever see you or your crew betray me or my crew in any way, you will fall. Do I make this clear?”

[PM Catnap nods]

(PM Catnap)

“Understood.”

[Baba nods as she then pulls out a the bottle as she hands it to PM Catnap]

(Dimension Baba Chops)

“Good, so I want you and your members to drink this, so that way our deal is settled.”

[PM Catnap examines the bottle as he opens it and begins to drink it entirely, but as he did so, the Bottle then refills on its own as PM Catnap smiles]

(PM Catnap)

“Deal has been made.”

[So PM Catnap hands this over to the other critters as they also drank it as well, after a while, all of them drank it until the Prototype was last to be the one to drink it as he looked at it before deciding not to drink it. He didn't trust something like a small drink for him to drink in as he just gave it to Baba Chops]

(PM The Prototype)

“No thanks Baba, I already know the deal has been made.”

[Baba Internally curses as she takes a deep breath and sighs as she nods, maybe she'll find another way around this next time]

(Dimension Baba Chops)

“Alright, now all of you pick your rooms and I'll discuss the plans tomorrow.”

[The Prototype Squad then leaves the room as once they all left, Baba then locks the door as she walks back to her chair and sits back down]

(Dimension Poe)

“...So how was that meeting?”

[Baba jumps as she heard Poe speak to her out of nowhere as she looks at the left side of the corner to see Poe standing there]

(Dimension Baba Chops)

“Poe, what are doing here?”

(Dimension Poe)

“I was watching from the shadows, I saw the whole thing, you made a deal with them did you?”

[Baba then covers the light in her room as she turns to face Poe]

(Dimension Baba Chops)

“Yes, I made a deal with them because of what they could offer me.”

(Dimension Poe)

“And what was that offer he gave you?”

(Dimension Baba Chops)

“He was giving me their...Critter Intel Droids and resources so that we as the Nightmare Society can thrive even more.”

(Dimension Poe)

“Okay, but why would he give you his Critter Intel Droids? I mean, he hasn’t said anything about how those CID’s work and if they’re non hostile, aren’t you aware of that?”

(Dimension Baba Chops)

“I am aware, that’s why I put a precautionary measure to make sure that they didn’t have the upper hand here.”

(Dimension Poe)

“Precautionary measure?”

[Baba pulled out a the vial as she throws it at Poe, as Poe catches it and looks at the vial]

(Dimension Baba Chops)

“I told him to drink this so that our deal with be set in stone, and I also told him to have his crew drink this since they’re in this deal as well.”

(Dimension Poe)

“Well that explains it. But wait, the Prototype didn’t drink this, so shouldn’t he be in the deal as well.”

(Dimension Baba Chops)

“Yes, but unfortunately, he has a suspicion feeling that something was off about this vial and that he knew that something bad was gonna happen, which made me upset, but I have other plans to manipulate the unmanipulated.”

(Dimension Poe)

“Okay, but what was inside this vial anyway?”

(Dimension Baba Chops)

“Why might you ask that?”

(Dimension Poe)

“I don’t know, I was curious as to what was in it and why you told them to drink it. It sounds a lot like you’re going to do something to them.”

(Dimension Baba Chops)

“And if I am?”

(Dimension Poe)

“Then I might have a reason to be scared of you.”

(Dimension Baba Chops)

“Well you should already be scared of me.”

[Baba then teleports close to Poe as she stands close to Poe, her eyes glowing with an ominous purple color as Poe backs up in fear]

(Dimension Baba Chops)

“Because what will happen next, they can never escape from. They’re only delaying...the inevitable.”

[Poe gulps as he backs up a bit more]

(Dimension Baba Chops)

“Are we clear on this?”

[Poe nods frantically as Baba then backs up a bit and becomes more calm and not scary]

(Dimension Baba Chops)

“Good. Now get out!”

[Poe then backs up to the door as Poe unlocks the door and walks out the door as Poe closes it]

[Once Poe leaves Baba’s room, she locks the door again as she turns and sighs, she then heads back to the table as she grabs a remote and turns on the speakers as she plays Rock Music in her room]

(Back in the Pets AU)

[After everything was explained and shown, the Dimension Critters asked the Pet Critters who they were and what they were doing to which they explained how they were an Evil CEO Man who according to Bubba and Wolfy were heading to Amazon Rainforest to go into hiding after failing to get the GOLD mine in Alaska. Which to the Dimension Critters was impressive]

(Pet Dogday)

“Yeah, that’s why we’re after him?”

(Pet KickinChicken)

“So we can put an end to him!”

(Pet Hoppy Hopscotch)

“And finally be free!!”

(Dimension Hoppy Hopscotch)

“Wow! I’m impressed, you have a lot of guts to go after someone at a very young age.”

(Pet Dogday)

“Thanks!!”

(Dimension Dogday)

“You know, we can also help you on this mission if you like.”

(Pet Dogday)

“You can?”

(Dimension Dogday)

“Yeah, after all, sometimes you might need help. So what do you say?”

[The Pet Critters did not hesitate as they all yelled a yes, which did surprise them, they thought it would take them time to think about this. But since they were babies still, it wasn't a big surprise]

[So they all got into the off road Truck as Player/Angel put the gears into drive and drove through the dirt terrain. In the back of the bed of the pickup truck rode Dimension Hoppy, Dogday, Sneaky and SquimFly as we see the Pet Critters sitting and lying down next to the Dimension Critters.

[Bobby was hugging Hoppy's right arm as she was hugging it like a plushie, Hoppy was lying down on Dogday's lap as Dogday smiled and ruffles her head softly while feeding her a carrot, Dogday was playing with Sneaky as Sneaky was enjoying her time with Dogday, Kickin was on top of Sneaky's head sleeping, and the rest of the critters were around SquimFly as they all were sleeping on SquimFly]

(Dimension Dogday)

“You know, if I was a human, I would've probably owned a pet by now.”

(Dimension Hoppy Hopscotch)

“You would have?”

(Dimension Dogday)

“Yeah, I mean, look at these cute versions of us, if I was a human, I would've wanted to adopt one of these pets. Wouldn't you Hoppy?”

[Hoppy thinks about this, she never considered owning a pet, it just felt...weird]

(Dimension Hoppy Hopscotch)

“I never thought of owning a pet, honestly, it just feels weird owning one.”

(Dimension Dogday)

“True, but if you were a human let’s just say, would you have?”

[She thinks about this again before speaking]

(Dimension Hoppy Hopscotch)

“I...I...guess? I-I don’t know.”

(Dimension Sneaky Foxey)

“Aw come on Hoppy, it’s not hard of an answer, I would’ve said yes!”

(Dimension SquimFly)

“Me too!!”

(Dimension Hoppy Hopscotch)

“I get that you guys would want to, but for me...I’m not so sure.”

(Dimension Dogday)

“Hey, sometimes it’s best we try something new, it may not be in your comfort zone, but that’s the whole point of trying new things, you might need to get out of your comfort spot just so you can try something different.”

[Hoppy slightly looks up at Dogday as she sees Dogday smiling]

(Dimension Dogday)

“Give it a try, I can assure you that trying new things out will grant you great rewards, if not experience new things like never before.”

[Dogday then pulls out a Bottle Water and gives to Hoppy as she smiles and takes the water bottle]

(Dimension Hoppy Hopscotch)

“Thanks Dogday.”

(Pets Player/Angel)

“Hey we’re getting close to the place, is there anything we need to be aware of?”

(Dimension Dogday)
“Not that we know of exactly.”

[They then hit a big bump as Hoppy’s water bottle that she was drinking spills on the map as Pet Dogday and Bubba were panicking]

(Pet Dogday)
“No No No No No NO NO NO NO!!!”

(Dimension Dogday)
“What happened?”

(Pet Bubba Bubbaphant)
“Water spilled on the map, now it’s all smeared!!”

(Dimension Dogday)
“Don’t panic just yet!”

[Dogday then accidentally activates his Pyrokinesis powers as he burns the map entirely, causing all of the critters to be frozen in shock]

(Dimension Dogday)
“Uhh...Uhh...hehe...ummm...”

(Dimension Hoppy Hopscotch)
“Dogday you b***h!”
