Biography:

Khourin Wilkins is a Program Manager within the Entrepreneurship and Business Development division at the National Urban League. Prior to working at the National Urban League, Khourin worked in non-profits throughout New York and New Jersey supporting youth and entrepreneurs through career development, program management and consulting. Khourin graduated from The New School with a Masters degree in Strategic Design and Management and a Bachelor's degree in Communications from Kean University.

What are you looking to achieve through the NUL Emerging Leaders Program?

My first objective is to develop and enhance the talents I already have while also learning areas of leadership development and how to build confidence. I really need to identify "blind spots" or limiting beliefs that have from my perception held me back.

Fun Fact: I enjoy crocheting and sewing
