

Kamarie Michelle Crawford – Miss San Antonio Queen of Soul 2026 stands 5 feet 8 inches tall and is a 22-year-old born in September. Kamarie is a student pursuing a Doula Midwifery certification at Moon Water Midwifery. Kami, as she's affectionately known, would like to have her own Midwifery business with her Mom to help birthing moms have a safe space, feel empowered and supported, especially women of color. Kamarie ran for Queen of Soul to inspire confidence, promote unity, and use her platform to better her community and the people in it.

She entered the San Antonio Queen of Soul Pageant to display to others the soul of her heart not just in how she speaks up but also in how she serves others. She endeavors to be a role model to the youth by reminding them that their voice matters and their culture is beautiful. In her spare time, Kamarie loves singing, dancing, baking, volleyball, watching all types of movies and cooking. Her favorite genre of movies is Horror films; the scarier the better.

The person who inspires Kamarie is her mother Dana as she's showed her what real strength looks like while raising two daughters with a sickle cell disorder. She says her mom has carried more than most and did it with grace. No excuses, just pure resilience and determination. Kami says this disorder taught her that being special is standing firm in who you are; even during the hard seasons. An interesting fact about Kamarie is that as a Sickle Cell Anemia survivor, she worked with a local group organizing blood drives to raise awareness about the disorder and the importance of blood donations.

Serving as the 2026 Miss San Antonio Queen of Soul is one of the greatest honors of my life. This title has meant far more than a crown — it has been a beacon of service and leadership, and a way to uplift our community with grace and purpose. My goal throughout this journey was to represent our city with compassion, authenticity, and integrity.

Viva Fiesta!
