

Sorry for the late reply, some fucking asshole reported me for doing god's job

(this is a long message, expand to see all information)

This is CUSA03173, that means that it's the GOTY edition (includes DLC, in the RAR there's 2 PKG, the game and the update)

(if the first link doesn't work try the second one)

Password: Fuck Sony

If it doesn't let you download because of the amount of downloads in a short period, use this tutorial to download it:
