

Hello Junior High Football Parents,

I hope you are all excited for the upcoming school year and sports seasons. With all of the construction at the school we have been exploring options for football practices to begin the school year.

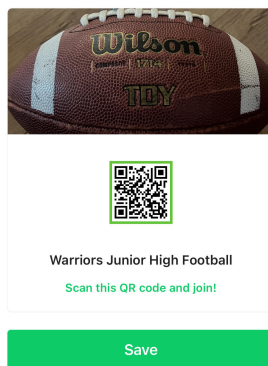

We are hoping that the new football field will be released to us for use at the beginning of September. Until that time, we will be transporting the Junior High football players to Fort Morgan for practice each day. We will bus them from the school to the practice field at Fort Morgan High School. Practice will run until 4:30. After practice, parents can pick up students from the field in Fort Morgan or we will bus the students back to the school. We plan to be back at the school by 5:00 pm.

The field will be ready for use in time for our first home games for the season and we are planning on hosting all the games that are currently on the schedule.

While we know that this is not ideal for some parents, we hope that accommodations can be made for this while we wait for our field to be completed.

To summarize, we will bus students to Fort Morgan on Monday-Thursday for practice. We plan to leave the school by 2:50 each day and arrive in Fort Morgan at approximately 3:10. Practice will run until 4:30, at this time, parents can either pick up their student from Fort Morgan or pick them up when we return to the school at around 5:00 pm. If students need to be picked up later than 4:30 in Fort Morgan, we can help make that work. The high school team is also practicing in Fort Morgan from 4:30-6:30 daily. Please let me how I can help with this.

I have included the link to the BAND app that coach Eiring will use for communication. Through the app, you can message coach if there is anything that you need. You can scan the QR Code below or join with the link that is below. Please feel free to email me with any questions as well. gedson@weldonvalley.org
