

This is a follow up for a Jiu Jitsu brand i've reached out to, my first email was opened, but they have not responded for 36h+

They sell clothing (Gis) and make Jiu Jitsu videos.

SL: James, let's take down some competitors!

Hey James,

Just wanted to present a super unique opportunity for you! If you want to greatly increase loyalty and revenue from your buyers then I've got a method that will do exactly just that.

The top Jiu Jitsu brands have leveraged this technique to create unbreakable bonds with their audience resulting in a noticeable difference in buyers.
