

- What is the current situation of my audience, and why is it so painful? **They aren't making the money they want to from their properties.**

They get nothing except headaches and added stress to their daily life. Every waking moment is spent trying to make their investment profitable.

They pull their hair out and lose sleep over low-profit margins and vacant properties

- What is the dream state of my audience, and why is it so desirable? **They want everything to be buttery smooth with their properties** 📄

In an ideal world, their properties would have a steady stream of reliable respectful clients. Which would mean a steady stream of passive income

They'd spend each day knowing their property is taken care of. The lawns are mowed, and the interiors are cleaned to perfection.

The avatar would spend their days relaxed and without stress knowing their real estate investments is in good hands

- What is the underlying problem my audience has that's stopping them from reaching their dream state? **The avatar lacks the time and know-how of renting out properties**
- How does my product solve their problem? **Dreamland steps in and takes over for them.**

They remove the burden of property management and ensures profit margins are as high as they can be

- Where (in the funnel) is my reader while reading this? **They visited the website after a FB ad**
 - Do they know their problem? **yes**
 - Do they care about the product? **Yes**
- Where do you want them to be?
 - Where should this copy take them? **They need to fill out a contact form at the bottom**
- What steps do you need them to take? What do they need to feel so they go from their current point to where I want them to go? **They need to feel hope around their properties making them more money and causing them less stress. They need to feel pain around how little money they're making and how much stress their properties are causing them**
