Cell Phone Policy

Política de Teléfonos Celulares

Se espera que los estudiantes mantengan sus celulares apagados y guardados seguramente en sus mochilas hasta el fin del día escolar. Si el celular es usado, el maestro lo confiscará devolviendolo al fin del día. El estudiante es el encargado de recoger el celular al fin del día. La negación de entregar el celular resultará en contactar a los padres.

Students are expected to keep cell phones off and away in their backpack or bag until the end of the school day. If a cell phone is seen, the teacher will pick it up and hold it until the end of the day. The student will retrieve the phone from that teacher at the end of the day. Refusal to turn in a cell phone will result in parent contact.
