Judson Great Gatherings 2025

Instructions for using the BetterWorld.org platform

Follow the link provided to the Betterworld.org auction site to view the 31 fantastic Great Gathering (GG) events for the upcoming auction.

The link below will take you to the main page where you can view all the events listed in a grid format**. AN IMPORTANT REMINDER**. You won't be able to buy seats /tickets until the auction starts tomorrow, Friday February 7th at 7pm.

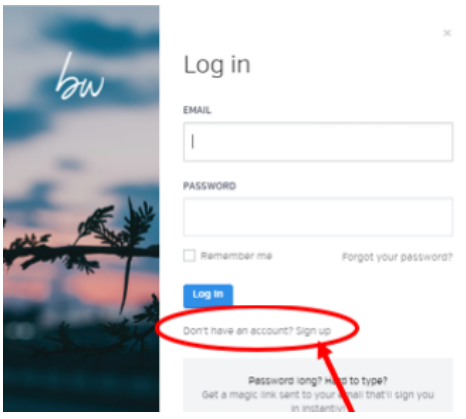

However, we recommend you inform yourself about how to navigate the BetterWorld site through these instructions, so you'll be ready to roll to buy a seat on your favorite events once it goes live tomorrow night.

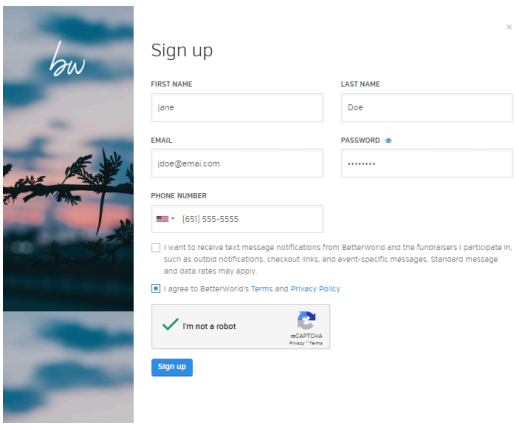

https://judsonchurch.betterworld.org/campaigns/great-gatherings-2025

Since Betterworld.org does not offer a 'shopping cart' to seamlessly buy tickets to multiple events at once, we recommend you create a personal account that includes your name, address and credit card information. Having this personal account set up before you start buying seats for one or more events will make checking out much easier.

We used Betterworld.org last year, so you may already have an account created. If so, click on the "Log in" from the main auction page and enter your credentials.

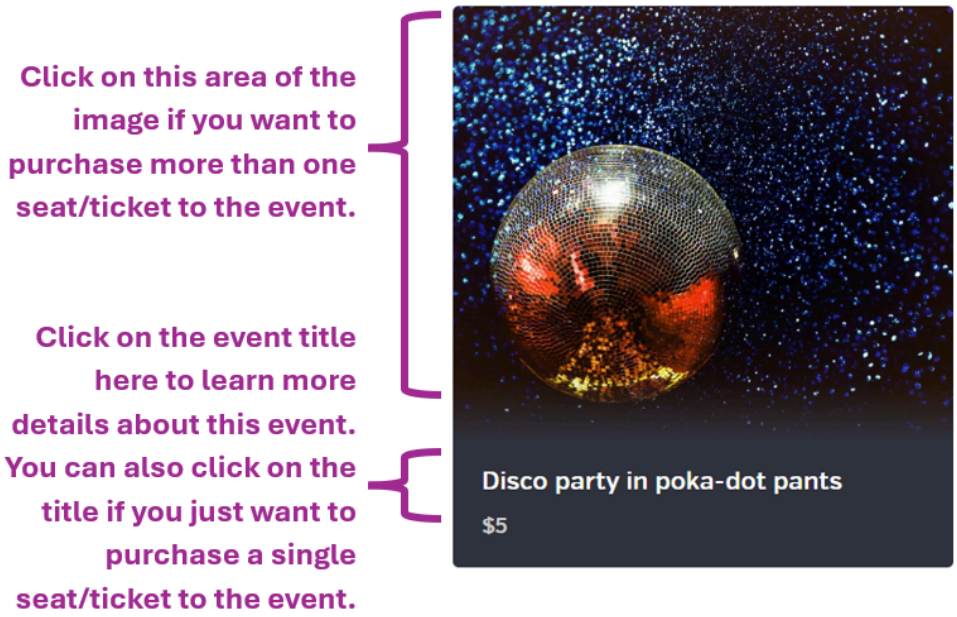

If not, at the top of the main auction page, you'll see "*Log In* "and the button saying "*Don't have an account? Sign up"* link.

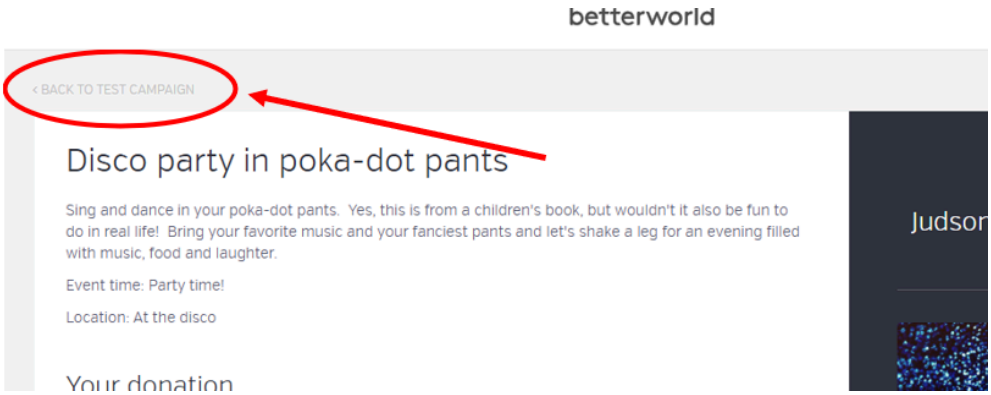

In the next window, fill out your information, check the '*I agree to BetterWorld's Terms*…' checkbox and the '*I'm not a robot'* checkbox. Then click '*Sign Up'*.

Now you can go to the first event you'd like to attend and purchase tickets.

If you want to return to the grid of all events, you can simply click on the "Back to Campaign" text in the upper left corner of whatever event you are currently on.

If you have questions about this process, please contact Jeff or Margot below.

Have fun and thanks for helping to support our Judson Church.
