Spirit Day: **WOOFIE** (Snap a picture with a pet or a plush)

Math

60 minutes

Lesson 21: Recognize and show that fractions refer to the same point on the number line.

- [Watch video on YouTube](#) to get a view of the lesson. (The examples that they work through are the homework pages, just FYI)
- Complete the **Lesson 21 Problem Set: pp.83-84**. [Click here to complete the pages with me.](#) (If you don't need the video please [check your work with the answer pages on the blog.](#))
- **Take a picture of your problem set pages with your ipad camera and send it to me through gmail at rmeisinger@op97.org.**
- Log in to Zearn and complete Lesson 21.
- Do one session of xTraMath.
- If 60 min has not yet been met: (Complete Homework page for Lesson 21 pp.84-85)

Optional/Additional Activities (if you finish the problem set pages BEFORE 60 min are up you should do some of the following suggestions):

- Daily **Homework Workbook pages**
- **Khan** assignments
- **Khan Mappers** (individualized practice)
- **Moby Max** also has assignments for extra practice with fractions

Reminder on how to get into Zearn:

***Log-in through Clever**

- Go to clever.com
- Login with google account (don't forget the ending of the email after your **username example:** rmei123@students.op97.org)
- Passwords are case sensitive

Reading

30 minutes

[Listen to JUMANJI](#) on YouTube (Read by Robin Williams!!) and **complete the Worksheet in SHOWBIE** (also [here](#) in case Showbie doesn't work):

- **Click on Showbie app**
- **Click on our class "Meis 2019-2020"**
- **Then click on the "Jumanji Compare Contrast"**
- **Listen to the voice note (sorry it cut out!)**
- **Complete the worksheet in Showbie**

If you can't get Showbie to work you can complete the prompts from the worksheet on a

Optional/Additional activities if you'd like more to do:

- Read [The Amazing History of Dogs](#).
and/or
- Free Read a book of your choice or a book from Kids A-Z.
and/or
- Have someone record you reading us a picture book

	separate piece of paper (Main Characters, Setting, Conflict (problems), Solutions (how the problems get solved) and Theme (MORAL!). If you do this, please take a picture with your ipad and send it to me via email at rmeisinger@op97.org .	and send me a link to your video. I'll post it on the blog so others can enjoy it as well!

Writing

30 minutes	<p>Write a HAIKU or TWO. This can either be done in a google doc and shared with me or on a piece of loose paper. (If you choose the loose piece of paper, take a picture and send it to me at rmeisinger@op97.org).</p> <p>Example: The wind is angry. (5 syllables) It won't let me play outside. (7 syllables) Please just go away! (5 syllables)</p> <p>Don't forget to publish your poem! *To publish means to revise and edit, making sure you have correct spelling, punctuation, and NEAT handwriting. When we have our published poetry, we also usually draw illustrations to accompany the words you've authored.</p>	<p>Instructional Note: A Haiku is a poem about nature (anything in nature!) that follows a specific pattern.</p> <ul style="list-style-type: none"> • 3 lined poem <ul style="list-style-type: none"> ◦ First line has 5 syllables ◦ Second line has 7 syllables ◦ Third line has 5 syllables • Does not have to rhyme • DOES have to be about nature • It helps to count out the syllables on your hand while you think aloud before you write them down
